INTRODUCTION.

THE ARCHIVES of the Grand Lodge of Massachusetts contain the earliest Masonic Records now known to be in existence on this continent. Those of the Provincial Grand Lodge, organized by Henry Price in 1733, generally known as Saint John's Grand Lodge (Moderns), and those of the Massachusetts Provincial Grand Lodge, organized by Joseph Warren in 1769 (Ancients), are set forth in this volume, as nearly as possible *verbatim et literatim*.

We have also in our archives the following described Records of subordinate Lodges:

- I. RECORD OF THE FIRST LODGE IN BOSTON, from December 27, 1738 (O. S.), to July 24, 1754.
- II. RECORD OF THE SECOND LODGE IN BOSTON, from December 21, 1761, to February 16, 1775.
- III. RECORD OF THE MASTERS' LODGE IN BOSTON, from January 2, 1738 (O. S.), to January 15, 1783.

The Records of these three Lodges furnish considerable information as to the proceedings of the Grand Lodge. For the first half century of their existence the history of the Grand Lodge and of the First Lodge, so far as we know it, seems to have been curiously intermingled. The Records of one Body frequently report transactions of the other. The First Lodge was often called the "Mother Lodge," and Grand Master Gardner said its Records "gave a better account of Masonry in Boston than the proceedings of the

Grand Lodge, and minute and full accounts of the progress of the Craft here were set out upon its pages." This intermingling may have been due, in part, to the fact that both Records were for a time the work of the same Brother.

Peter Pelham was made a Mason in the First Lodge in Boston on the 8th of November, 1738. On the 26th of December, 1739, he was elected Secretary, and the Record of that meeting is entered in a new and beautiful handwriting, and the same style is continued for five years. He served in that office until September 26, 1744, when he was succeeded by his son Charles. The Record of the Lodge recites that on the 8th of August, 1744, "Brother Price proposed Mr. Charles Pelham as a Candidate." He was accepted on the 22d of the same month, and on the 12th of September "was made a Mason in due Form." On the 26th it was "Voted, That our late Sec^y, Bro. P. Pelham, be paid Ten Pounds, with the Thanks of the Society for his past Services"; also "Voted, That Bro. Charles Pelham be Secretary, in the Room of Our Late Sec^y, who has laid it down." He served the Lodge in that capacity until July 24, 1754, (when the volume ends,) and perhaps longer. This is the only book of Records of the First Lodge in Boston now known to exist. The penmanship of both these Secretaries is bold, clear, and beautiful, as distinct as when first executed, and as well done as it could be to-day.

It will be observed that the first nine pages of the "Proceedings in Masonry" of Saint John's Provincial Grand Lodge are occupied with copies of Deputations and memoranda of some of the principal Masonic events which had occurred in America between the 30th of July, 1733, and February 6, 1750 (O.S.). The Record proper, or the contemporaneous Record, commences April 13, 1750, and immediately follows the memoranda. We must, therefore, conclude that the latter were entered in the volume at or about the time that the Record proper commences. We believe the handwriting to be that of Charles Pelham. His name appears first, in the capacity of Grand Secretary, in the Record of June 24, 1751, and his service in the office appears,

from the change in handwriting, to have ended with the meeting of January 20, 1752, although no successor is named until July 10, 1752. The records of Trinity Church, in Boston, where he had long worshipped, show that Peter Pelham, the father of Charles, was buried December 14, 1751. The death of the father may account for the termination of the service of the son as Grand Secretary one month later, although he continued to act as Secretary of the First Lodge for two years and a half longer.

The Records of Massachusetts Grand Lodge are continuous from December 27, 1769, when that Provincial Grand Lodge was organized, until March 5, 1792, when the two Grand Lodges were united. The principal interruption was when "the Town was Blockaded." Joseph Warren presided for the last time on the 3d of March, 1775, then followed the battles of Lexington and Bunker Hill, and no Record appears until the 27th of December, 1776, when the Brethren assembled to celebrate the Feast of St. John the Evangelist. It is singular that no reference is made to the funeral of Grand Master Warren, which was held on the 8th of April, 1776. The remains were borne in solemn procession to King's Chapel, where the Grand Marshal, Perez Morton, delivered a eulogy, which has often been compared to the oration of Mark Antony over the dead body of Cæsar. In the meantime the town had been evacuated and General Gage and the Tory Refugees had fled to Halifax. The meetings were resumed, an independent Grand Lodge was organized by the election of Grand Master Webb, and an unbroken Record was kept until the Union.

The St. John's Grand Lodge was not so fortunate. The Record stops abruptly with the meeting of January 27, 1775, and is not resumed until the 17th of February, 1787. Brother Charles W. Moore, in his memoir of John Cutler, expresses the opinion that the meetings were suspended during the period named "in consequence of the war and the general dispersion which seems to have taken place among the Brethren." Following this opinion, it has generally been supposed, and in fact has been assumed by all our historians,

that Saint John's Grand Lodge and its subordinates held no Communications from the 27th of January, 1775, until the 17th of February, 1787. We are strongly inclined to doubt the correctness of this general belief in so protracted an interruption of the work of the St. John's Lodges and Grand Lodge. The opinion probably had its origin in the fact that the Records of the meetings of the Grand Lodge held on the dates last named are on opposite pages, and no allusion is made to any interruption or to any meetings held during the interval.

The Grand Secretary in 1775 was Thomas Brown. He was also the Secretary of the Second Lodge, of which his last Record was under date of February 16, 1775. He probably remained shut up in Boston, while it was occupied by General Gage, and during that period it is hardly to be supposed that any Masonic meetings could have been held. When the evacuation took place, our "Tory" Brother Brown sought refuge in Halifax, taking his Records with him.

One year after peace was concluded, Brother Brown wrote to Grand Master Rowe, offering to return the Records, upon payment of the amount which he claimed to be due him. (See p. 416.) Nearly three years elapsed before this proposal was accepted. Six months after the death of Grand Master Rowe provision was made for the payment of Brother Brown's claim, and the precious Records were returned. The volume belonging to the Grand Lodge has furnished the first two hundred and twenty-five pages of these "Proceedings in Masonry."

We can readily understand that the exigencies of the times seriously interfered with the regular and orderly practice of the duties of Masonry, at the customary Stated Communications, by the First and Second Lodges and the Saint John's Grand Lodge. It does not, however, seem probable that those organizations omitted their assemblies entirely for twelve years; especially in view of the fact that the Massachusetts Grand Lodge and its subordinates held their Communications with great regularity during the whole

period. It seems much more probable that meetings were held and the Record is lost. We narrowly escaped an irreparable loss, as already described. If Brother Brown had been an "indifferent Man," if he had not regarded the Records "as consequential Matters," or if he had died before their return, we might have lost them beyond all hope of recovery.

Scraps of evidence are occasionally coming to light which prove that there was some life in the Saint John's Lodges during the period between 1775 and 1787. The diary of Grand Master Rowe (see p. 432) states that he celebrated the Feast of Saint John the Baptist in 1776 with the Brethren of the Lodges under his direction. Diplomas are reported, and are even now extant, which were issued during the period named — notably the diploma of Commodore Samuel Tucker, who was made a Mason in Saint John's Lodge, of Boston, in January, 1779. Reports are given in the newspapers of meetings of Lodges in 1780 (see "Proceedings, Grand Lodge of Massachusetts," 1892, p. 30). The present St. John's Lodge formerly held a Charter issued by authority of John Rowe, Grand Master, and bearing date February 7, 1783.

Fleet's "Pocket Almanack," published in Boston in 1784, states that, on account of the Records of the "First Grand Lodge in Boston" being carried away by Brother Brown, "a particular List of the several Lodges in North America, who received Deputations from, and are under its jurisdiction, cannot at present be obtained. They are in number about Thirty. Those in Boston are, St. John's or 1st Lodge and 2d Lodge, now united in one." Furthermore, the Records of this "united" Lodge from 1783 to the present time are complete and in good condition. The Record of the Masters' Lodge in Boston shows that meetings were held from April, 1780, to January, 1783, although there is a break from April, 1768, to April, 1780.

These items of evidence seem to afford good reason for believing that the Saint John's Lodges and Grand Lodge, between 1775 and 1787, were neither dead, nor absolutely

dormant. We believe they were working during that whole period, but unfortunately the written Record of their doings is lost, as is the case with the First Lodge from 1754 to 1783, and which no one pretends was dead or dormant during most of that interval.

BOSTON July 1st 1754.

On Tuesday last departed this Life, after a lingering Sickness, in the Fifty First year of his age, The Right Worshipfull Thomas Oxnard Esq^r Grand Master of the Ancient and Honourable Society of Free and Accepted Masons in North America. A Gentleman whose Loss is not only deplored by the Fraternity over which for Eleven Years he Presided, but by all those who had enjoyed the Pleasure of his acquaintance. He was an experienced Merchant, an upright dealer, an affectionate Husband, a tender Parent, a Sincere Friend, a kind Master. He was free from Bigotry and Euthusiasm, and his Religion, on the duties of which he constantly attended, was truly Catholick. The News of his approaching death was received by him with Composure and Resignation, he Set his house in order, and in Expectation of a better Life, he bore the last Agonies of this with a most Christian Fortitude. Reader wouldst thou shine in these amiable Virtues, Imitate Him. —

His Corps was attended to the Grave last Friday by a Numerous Train of Relations, of Free and Accepted Masons, Friends and Acquaintance, The Free and Accepted Masons dressed in black, and Cloathed with white Aprons and Gloves walked before in a Procession of two, with the Grand Masters Jewell, usually worn by him, pendant from the Ribbon on a tassel'd black Velvet Cushion carried next to the Corps, Immediately before the Cushion walked the Deputy Grand Master with the Grand Wardens; the Past Grand Officers, the other officers of the Grand Lodge, the Masters, Wardens and Officers of the other Lodges in Town in their order, all the Masters and Wardens with their Jewells pendant upon black Ribbon, after the Interment the Fraternity walked before the Relations and returned with them to the Mansion House of the deceased, where they took their Leave, The whole attendance was conducted thro' a vast Number of Spectators, with great order and Decency.

ELIZABETH TOWN July 28th 1762.

Right Worshipfull.

I had the honor of receiving both your Letters by the Post. I cannot find that M^r Daniel Cox had anything to do with the Province of Maryland: Upon discoursing with a brother at Philadelphia about a Year ago, he told that the Lodge at Anapolis in Maryland, was held by a Warrant from Boston had many Years ago. And upon the strictest Enquiry I find that M^r Daniel Cox Died before 1754 the Time you mention. Therefore as you was pleased to say, that if the Case was so, you would send me a Deputation immediately: and as you wrote nothing about a formality in Obtaining it, I am desired by all those I have Communicated Your Letter to, to Write immediately for a Deputation for myself to be the first Master of the Temple Lodge in Elizabeth Town N^o 1. if you think proper to give it that Name. We have had a Petition drawn to You to appoint a Deputy Grand Master of New Jersey: Pray will it be proper, and agreeable to You, to grant such a Deputation?

If you Order a Deputation to be sent me, I hope it will be soon: and please to put it under Cover to M^r John Hunt, Post Master in Elizabeth Town, and then it will be not only free of Postage, but Safe: unless our Parson (Chandler) should be in Boston, which I expect he is. Please also to say in your Letter what Charge there is attending the Warrant, and it shall punctually be sent by the Post with the Thanks of the Lodge.

I am, Sir, Your Most Obedient Servant and Brother

Extract of a Letter from the Earl of Elgin and Kincardin Grand Master of Scotland dated Edinburgh 4th June 1762

“The last Reason assign’d by the Lodges in Boston for their unkind behaviour to you, is, that the Right Worshipful Jeremiah Gridley Esq^r looks upon your Charter as an infringement of his Province as Grand Master of North America; it is my Opinion there may be some Mistake in this; You say he saw, Read and approved of your Charter, if he had any Objections, he certainly would have Signified them to You when you Show’d him your Charter; I am Confident my Right Worshipful Brother Jeremiah Gridley Esq^r knows and observes the Principles of Masonry better than to take Offence where there is not the smallest Reason given for it. I do not doubt nor dispute his Authority as Grand Master of all the Lodges in North America who acknowledge the Authority, and hold of the Grand Lodge of England, as he certainly has a Warrant and Commission from the Grand Master of England to that Effect; The Grand Master and Grand Lodge of Scotland have also Granted Warrant and Commission to our R^t Worshipful Brother, Coll^o John Young Esq^r Constituting and Appointing him Provincial Grand Master of all the Lodges in North America who acknowledge the Authority and hold of the Grand Lodge of Scotland; these Commissions when Rightly understood can never Clash or interfere with each other.” “I must observe that you have made a Mistake in Your Address to the Lord Aberdour in giving him the Title of Grand Master of Great Britain; he granted your Charter as Grand Master of Scotland, he was afterwards Elected Grand Master of England, but never had any Right to the Title of Grand Master of Great Britain.” “Your Mistake in this may (perhaps) have given Offence to my R^t Worshipful Brother Jeremiah Gridley Esq^r and, if so, it is very proper you should acknowledge your being mistaken in this particular:”

Boston February 13. 5766.

Being S^t Andrews Lodge Night, the Committee appointed by said Lodge, to present their Complimentary Address to the Grand Lodge in Boston, made Report of their Proceedings, and delivered into the hands of the Secretary a Copy of the Votes which the aforesaid Grand Lodge had passed on that Occasion, which Votes being Read in the Lodge, it was Voted, that the Consideration of said Votes should be deferr'd until some future Opportunity.

Boston April 10, 5766.

Being S^t Andrews Lodge Night, the Votes of the Grand Lodge pass'd January 27th 5766 were Ordered to be again Read, which being done, the following Votes were unanimously pass'd by thirty-four Brethren then Present. Viz^t

1st Voted, that the first Vote of the Grand Lodge, which asserts that "Isaac Decoster, David Flagg, George Graham, George Lowditt, George Bray, George Hodges, Henry Emmes, and James Turner, the Persons named in the Constitution of a Lodge, called S^t Andrews Lodge in Boston, were not at the Time of their Application, or at the Date of said Constitution, "Free and Accepted Masons," Is Erroneous and Contains its own Refutation.

2^d Voted, that, the second Vote of the said Grand Lodge which Asserts that the aforesaid Application was "an Imposition on the Grand Lodge of Scotland" is at least a Mistake; the Truth being as follows: Our Worshipful Brother James Logan, who had been Master of a Lodge in Scotland, and a Member of the Grand Lodge there, was, when in Boston, A L. 5754, perfectly informed of the Manner and Circumstances by which the Persons aforesaid became Acquainted with the Mysteries of Masonry, and was desired upon his return to Scotland, truly to Represent their Difficulties to the Grand Lodge of Scotland, and to endeavour to procure for them a Charter: The Grand Lodge of Scotland finding from the Relation given by our Brother Logan, that a Number of Persons in Boston intrusted with the Secrets of Masonry, were, notwithstanding their repeated Application refused Admittance into the Regular Lodges in said Boston; the said Grand Lodge in their great Wisdom, thought fit to Grant them a Charter of New Erection, with Ample Priveleges, thereby manifesting their Approbation of them, as Free and Accepted Masons.

3^d Voted. that it appears from the fourth and fifth Votes of the Grand Lodge, that the Members of S^t Andrews Lodge, have acted consistant with their Character as Masons, in their Application to the Grand Lodge, for Liberty to Visit the Lodges under their Jurisdiction, and that the Conduct of said Grand Lodge in refusing them, and prohibiting their Members from Visiting the Lodge of S^t Andrew, was directly Subversive of the Principles of Masonry.

4th Voted, that the Lodge of S^t Andrew, have in Time past, shewn all due Respect and Regard to the Members of the Grand Lodge in Boston, and to the Brethren under their Jurisdiction, and that their future Behaviour shall ever demonstrate their Affection for them, and their determined Resolution to embrace every Method, consistant with the Good of Masonry and their own Honour, to promote a Social Intercourse with Persons whom they so highly Esteem as Brethren and Friends.

5th Voted, that the aforesaid Votes of the Grand Lodge, and the above Votes of this Lodge, be Recorded in the Books of this Lodge.

6th Voted, that a Copy of the Complimentary Address, from this Lodge to the Grand Lodge in Boston together with the Votes of said Grand Lodge in consequence of said Address, and the above Votes, be Transmitted to the Grand Lodge in Scotland, by the first Oppertunity.

7th Voted, that Brothers, William Burbeck, Samuel Barrett, Moses Deshon, Ezra Collins, William Palfrey, Samuel Danforth jun^r and Joseph Warren, be a Committee to Present the aforesaid Votes to the Grand Master and Grand Lodge in their next Meeting.

To the Right Worshipful Grand Master, Deputy Grand Master, Grand Wardens and Members of the Grand Lodge of Free and Accepted Masons, held at Boston for all North America, where no other Grand Master is appointed.

Whereas on Friday the 25th of April 1766 (being Grand Lodge Night) a Committee from the Lodge (commonly called S^t Andrews Lodge,) Sent up to said Grand Lodge, a Number of Votes, passed in their said Lodge, the 10th of April last, and at the same Time requested to be admitted, to communicate something further VIVA VOCE, to the said Grand Lodge. Whereupon the said Votes were Read and were found to be Couched in very disrespectfull Terms, in several Parts of them to a Grand Lodge, and some of their Assertions, wholly Ambiguous: It was then Moved, whether the said Committee should be admitted into the Grand Lodge, to explain those doubtful Parts of their Votes, and to deliver what they had further to Offer to the Grand Lodge: Upon the Question being put, it pass'd in the Negative, as being inconsistent with the Votes of the Grand Lodge of January 27th last passed.

A Motion was then made, that a Committee be appointed, out of the Members of the Grand Lodge, to Confer with said Committee, relating to the Premises, and to enquire into the State of the differences subsisting between the said Grand Lodge, the Lodges Subordinate to it, and the said S^t Andrew's Lodge; which Motion being seconded, the Grand Lodge were pleased to make choice of us the Subscribers to be their Committee for the Purposes aforesaid, who agreed to meet the other Committee at the Royal Exchange Tavern on Monday the 28th of April last, and the Grand Lodge adjourned to Friday the 2^d of May instant, to receive their Report.

The two Committees having met accordingly, the Chairman of the Grand Lodge Committee having opened the Business for which they had met, the first Question was, what the S^t Andrews Lodge Committee had to communicate to the Grand Lodge, that they desired admittance, as before mentioned? To which one of them replied that, they as a Committee, thought that there were some Expressions in the Votes of S^t Andrews Lodge, which they

thought too harsh, and that they were willing, *VIVA VOCE*, to soften those Terms, to shew they did not fail in the Respect that was due to the Grand Lodge; Then, they reiterated their former Address to the Grand Lodge of January 24th last, which brought on a long Argument, wherein all the Grand Lodge's Objections to them for the irregularity of their Beginning and subsequent Proceedings were fully Urged, and their Vindication of themselves was as strongly Opposed to those Objections:— At last this Question was put to them, what they had to Propose to the Grand Lodge, to bring about the Accommodation they so much desired? for the Language of the Constitutions for irregularities, was *SUBMISSION!* To which they replied, as follows, and desired to be Minuted. *Viz.*

1st The Committee from S^t Andrews Lodge moving to be admitted into the Grand Lodge, held last Friday Night, was to explain and soften the Terms of their Votes of April 10th 5766.

2^d They also acknowledge in behalf of said Lodge, that all the Proceedings of those Persons before their application for a Constitution from the Grand Master of Scotland were irregular and wrong; but are fully of Opinion, that the Proceedings of said S^t Andrews Lodge after their Constitution, has been Regular and Just; And that although they before their Constitution were irregular, yet the Grand Master of Scotland has a Power of Dispensation, and can make irregular Masons, Regular. Therefore they think themselves Regular.

3^d They also propose and desire to be admitted to Visit our Lodges, and that our Lodges Visit them, and that there may be a Union of Love and Friendship between the several Lodges.

Upon which your Committee after mature Deliberation, of their Votes presented last Grand Lodge Night, and the Minutes which they desired us to make of their Concessions &c. at their Meeting with us; and after largely discoursing upon the Affair with said Committee, came to the following Determination.

1st That their explanation of the first Vote of the Grand Lodge, *Viz.* “that it is erroneous and contains its own refutation” is not Satisfactory to us, although they think the day their Constitution bore date, their Power commenced: Our opinion is their Power could not Commence before the Receipt and Possession of said Constitution.

2^d Their Answer to our second Vote, wherein they say, “it is at least a Mistake,” we would observe, they produce no Copy of any Application, but declare the Grand Master of Scotland was duly informed of their being irregular Masons, and that Decoster had applied to us for admittance into the Lodge, but was refused, only by two Votes, upon which the rest despair'd of gaining Admittance among us; Therefore, it appears to us not improbable, but the Grand Master of Scotland might know their Circumstances.

3^d Their third Vote which says “that it appears from the fourth and fifth Votes of the Grand Lodge, that the Members of S^t Andrews Lodge, have Acted Consistant with their Character as

“Masons, in their Application to the Grand Lodge, for Liberty to
 “Visit the Lodges under this Jurisdiction. — “and that the Con-
 “duct of said Grand Lodge in refusing them, and prohibiting
 “their Members from Visiting the Lodge of S^t Andrews was directly
 “Subversive of the Principles of Masonry.” — It is our Opinion the
 first part of the above Vote is Premature, they not considering
 the Laws of Masons require irregular Masons to make a proper
 Submission, before they can be received. — The last part is disre-
 spectful and Injurious to this Grand Lodge, and discovers they
 were unacquainted with the Laws and Principles of Masonry. —

4th We are glad to find by their fourth Vote that “it is their
 “determined Resolution to embrace every Method, consistant with
 “the good of Masonry and their own Honour to promote a Social
 “intercourse with Persons who they so highly Esteem as Brethren
 “and Friends.” And we doubt not the Lodges under this Juris-
 diction will ever Shew as great a Zeal to promote Love and Friend-
 ship, and the Principles of Masonry, as any Lodge Whatever.

All which is Offered to this Grand Lodge for their Considera-
 tion.

Sir

Since I had the pleasure of waiting on you & M^r Rowe respecting the Sale of Concert Hall, the House is Entirely Cleared and is now kept Loek'd up to wait for the Consideration and Determination of the Society of Free Masons, of which you are the Head: Therefore I now take the Liberty to give You the Lowest Terms that said Building can be Sold on, which You'l find on Foot hereof: The greatest improvement is made from September to June, and I would only Mention that some Persons stand ready to hire the Hall to the Amount of £40. Sterling. and another wants the Small Tenement which would let at £5. more, therefore You'l be kind enough to cause this Affair to be determined as soon as possible, which will much oblige them, and Sir,

Your most humble Servant
GILBERT DEBLOIS.

Terms of Sale of Concert Hall — Viz^t —

There shall be a good Deed of Sale given for the House to the Satisfaction of your Society, otherwise its no Sale.

The lowest Price is One Thousand Pounds Sterling, to be paid as shall be most agreeable to the Society, either in three, four or Five years, with lawful Interest paid Annually thereon (for my fathers Support) and good Security to be given for the Purchase in such way and manner as may best suit the Society. —

GILBERT DEBLOIS.

P.S. If it should not be agreeable to the Society to purchase this Building, I take this Oppertunity to ask the favour that they would improve it in future, and everything shall be done to make it give full Satisfaction, and in this Case I should be glad they would Recommend some proper Person to keep said House, that would be likely to give General Satisfaction —

JAMES HALL, Secret^r } The first Lodge, in Pitt County
North Carolina.

To M^r ABRAHAM SAVAGE, Grand Secretary, Boston.

Boston, September 14th 1767.

On Thursday Evening last at 11 o'Clock, departed this Life. the Right Worshipful Jeremy Gridley Esq^r Grand Master of Masons, over all North America, Attorney General for the Province of Massachusetts Bay, A Member of the Great and General Court of said Province, and a Justice throughout the Same, Colonel of the first Regiment of Militia, and President of the Marine Society, &c.

His Funeral was Attended on Saturday last, with the Respect due to his Memory, by the Members of his Majesty's Council, and the Judges of the Superiour Court in Town, the Gentlemen of the Bar, the Brethren of the Ancient and Honourable Society of Free and Accepted Masons, the Officers of his Regiment, the Members of the Marine Society and a great Number of the Gentlemen of the Town.

Strength of Understanding, Clearness of Apprehension, and Solidity of Judgment, were cultivated in him by a liberal Education, and close thinking: His extensive Acquaintance with Classical and almost every other part of Literature, gave him the first Rank among Men of Learning: His thorough Knowledge of the Civil and Common Law, which he had studied as a Science, founded in the Principles of Government, and the Nature of Man, justly placed him at the Head of his Profession: His tender Feelings relative to his natural & civil Ties: his exquisite Sensibility, and generous Effusion of Soul for his Friend, were Proofs that his Heart was as good as his Head was sound; and well qualified him to preside over that antient Society whose Benevolent Constitutions do Honor to Mankind. He sustained the painful Attacks of Death with a Philosophical Calmness and Fortitude, that resulted from the steady Principles of his Religion. He Died in the 62^d Year of his Age.

Written Extempore, on the Death of the late JEREMY GRIDLEY,
Esq^r Barrister at Law.

Of Parts and Learning, Wit and Worth possess'd,
GRIDLEY shone forth conspicuous o'er the rest:
In native Pow'rs robust, and smit with Fame,
The Genius brighten'd, and the Spark took Flame;
Nature and Science wove the laurel Crown,
Ambitious each, alike confer'd Renown.

High in the Dignity and Strength of Thought,
The Maze of Knowledge sedulous he sought,
With Mind superiour studied and retain'd,
And LIFE and PROPERTY by Law sustain'd.

Generous and free, his lib'ral Hand he spread,
Th' Oppres'd reliev'd, and for the Needy plead;
Awake to Friendship, with the Ties of Blood,
His Heart expanded, and his Soul o'erflow'd.

Social in Converse, in the Senate brave,
Gay e'en with Dignity, with Wisdom grave;
Long to his Country and to Courts endear'd,
The JUDGES honor'd and the BAR rever'd.

Rest, peaceful Shade! innocuous as thy Walk,
May Slander babble, and may Censure talk,
Ne'er on thy Mem'ry ENVY cast a Blot,
But human Frailties in thy Worth forgot.

Whereas our R^t Worshipful and Loving Brother, M^r Thomas Cooper of Pitt County in the Province aforesaid Merchant; obtained of the late Right Worshipful JEREMY GRIDLEY Esq^r Grand Master of Masons in North America, our most Worthy Predecessor, a Deputation to be Master of a Lodge of Free and Accepted Masons in Pitt County aforesaid, and Whereas our said Brother Cooper, did, (since he obtained the said Deputation) represent to our said Predecessor, that by reason of the great Distance of some of the Brethren's abode, from the Place of their usual Assembling in Pitt County aforesaid, their Attendance on Lodges was very inconvenient and troublesome to those Members, and the business of Masonry could not be carried on with that Regularity and Certainty that it otherwise would.

For the remedy of those inconveniences, NOW THEREFORE KNOW YE, That by Virtue of the Power and Authority committed to us, by the Right Honorable and Right Worshipful ANTHONY, Lord Viscount MONTAGUE, Grand Master of Masons, Do hereby Nominate, Appoint, and Authorise, our said Right Worshipful Brother THOMAS COOPER to be our Deputy Grand Master within the Province of North Carolina aforesaid, and do Impower him to Congregate all the Brethren, that at present reside (or may hereafter Reside) in said Province, into one or more Lodges as he may think fit, and in such Place or Places within the same, as shall most redound to the general benefit of Masonry: He taking special Care that Masters Wardens and all other proper Officers to a Lodge appertaining be duly chosen, at their next Meeting preceding the Feasts of S^t John the Baptist, or S^t John the Evangelist, or both as shall be most convenient, and so on Annually. Also that no Person be admitted into any Lodge within this Deputation at any Time, but regular made Masons: And that all, and every the Regulations contain'd in the Printed Book of Constitutions, (except so far as they have been altered by the Grand Lodge in London) be kept and observed; with such other Instructions as may be transmitted by us or our Successors. Parts; and that the Feasts of S^t John the Baptist, or S^t John the Evangelist, be kept Yearly, and Dine together on those Days, or as near them as may be. That for each Lodge Constituted by him, he is to Remit to the Grand Secretary in this Place, three Guineas and one half, two of which is for Registering them in London, and the rest for the general Fund of Charity, and Registering them here. Lastly, a charitable Fund must be established, for the Relief of Poor distress'd Brothers in those Parts. in such manner as is practiced elsewhere by Regular Lodges.

The Petition of the Grand Committee of the Grand Lodge in Boston, New England, whose Names are hereunto Subscribed, in behalf of said Grand Lodge,

HUMBLY SHEWETH,

That last September it pleased Almighty God to Vacate Solomon's Chair by the Death of our late Right Worshipful Grand Master Jeremy Gridley Esq^r upon which our R^t Worshipful Brother Henry Price Esq^r formerly Grand Master, Reassumed the Chair, Pro-tempore; And at the Grand Lodge or Quarterly Communication held at the Bunch of Grapes Tavern in Boston — January 22^d 5768, it was Voted, that a Petition should be drawn up and Presented to your Grace, Praying, that all future Grand Masters should be deputed for three Years only, with this Reservation, that notwithstanding if the Lodge should see cause to continue the same

Grand Master longer in the Chair, the said Deputation should continue and remain in full Force the said continued Term, and that he should remain Grand Master from the expiration of the Time of his first appointment or Continuance to the Installment of another.

We therefore humbly Sollicit your Grace's Concurrence with the said Vote, and Request your Deputation in favour of Our Right Worshipful Brother John Rowe Esq^r past Deputy Grand Master, and now Grand Master, Elect.

The following Letter from the R^t Worshipful Brother Henry Price Accompanied the foregoing Petition.

BOSTON, NEW ENGLAND, January 27th 1768.

Right Worshipful Grand Master, Deputy Grand Master, Grand Wardens and Brethren, in Grand Lodge Assembled. —

The Money now sent to you is for the Constitution of four

Lodges in America, which I pray may be Registered in the Grand Lodge Books; the Money would have been paid long before, but some unforeseen Accidents prevented, therefore, I hope the said Lodges will not be denied their Rank among the Lodges, according to the Time of their Constitution, notwithstanding the above Omission. For the particulars concerning them, I must refer you to the Letter from the Grand Committee of the Grand Lodge here, which goes by the same hand that presents this to You: Several other Lodges have been Constituted by the Grand Lodge here, in different parts of America, who have not yet Transmitted to us the Stated Fees for their Constitution, but as soon as it comes to hand, it shall be remitted to You, hoping at the same Time that they will likewise be Registered among other Regular Constituted Lodges.

R^t Worshipful Brothers. I had the Honour to be appointed Provincial Grand Master of New England, by the R^t Hon^{ble} and R^t Worshipful Lord, Anthony Brown, Viscount Montacute, in the Year 1733, and in the Year 1735 said Commission to me was extended over all North America, by the R^t Hon^{ble} and R^t Worshipful John Lindsay Earl of Crauford, then Grand Master of Masons; but upon enquiry, I find that said Deputations were never Registered, though I my self paid three Guineas therefor, to Thomas Batson Esq^r then Deputy Grand Master, who with the Grand Wardens then in being, signed my said Deputation.

This Deputation was the first that the Grand Lodge ever issued to any Part of America, and stands so now in all Lodges on the Continent. Other Deputations have since been given to different Provinces, but they cannot according to Rule take Rank of mine. So, would submit it to your Wisdom and Justice, whether said Deputations should not be Registered in their proper Place, without any further Consideration therefor, and the Grand Lodge here have Rank according to Date, as it has (by Virtue of said Deputations) been the foundation of Masonry in America, and, I the Founder. Wherefore R^t Worshipful Brethren, I beg that enquiry may be made into the Premises, and that Things may be set right, is the earnest Request of your much honoured, and

Affectionate Brother

and very humble Servant

HENRY PRICE.

P: S: R^t Worshipful. I herewith send you an Attested Copy of my said Deputation, as Registered in the Grand Lodge Book of this Place, under the Hand of our Grand Secretary, whose signature you may depend upon as Genuine. H. P.

The foregoing Petition and Letter being Committed to the Care of Brother William Jackson one of the Grand Committee, who was then bound to England, it was thought expedient (upon his Request) to give him the following Letter of Recommendation.

Right Honourable, R^t Worshipful and beloved Brethren.

We esteem this opportunity (by our beloved Brother M^r William Jackson, who has served to Acceptance in the Offices of junior and Senior Warden in the Lodges of this Place,) to proffer our most sincere Respects and hearty good Wishes to our Mother Lodge, which we now do with true Affection to you and all our R^t Worshipful Brethren in England, in humble Hopes of your Acceptance; And refer you to this our Worthy Brother for a particular Account of the Propagation of Masonry in America, who by his hearty Regard for the Royal Art has Merited and Inherited the Offices aforementioned, and our hearty Recommendation to You, as a worthy Brother, and hope and desire You'll Testify your Love for us, in conferring all the favours upon him that he may stand in need of, which we are ready to acknowledge as an Obligation on us, and shall only wait an Opportunity of returning your Goodness to him, who we trust will Convince You by his Masonal Abilities, that we have a due Esteem for the Honourable Craft, and are,

A Letter was read, from Brother John Munro to the Grand Master in Grand Lodge, containing two Questions, requesting the Opinion of this Grand Lodge on said Questions.

[LETTER]

Right Worshipful Grand Master

The following Questions, Answered by the Grand Lodge will sufficiently determine a dispute betwixt Two Brothers, and perhaps Regulate the Conduct of a Number of the Fraternity.

1st If it is not the duty of a Mason, to acquaint his Brother with any Thing, which threatens his Person, Fame or Fortune, and more especially when a declared Enemy is not a Mason?

And, whether any Obligation (except the only Solemn) can bind the threaten'd Brother, from seeking Legal Redress, even upon the Evidence of the informer; should he chuse to reveal it?

I am Sir,

Your dutiful & Affectionate Brother

JOHN MUNRO.

Boston, 23^d April, 1768.

To the first Question, the Grand Lodge, Answer in the Affirmative.

To the second, they for Answer say, that till the particular Circumstances to which said Questions refer are known, do decline giving any Answer, which Resolutions were Voted unanimously.

Moved and Voted, that the Grand Secretary, acquaint Bro^r Munro with the above Resolutions.

It was moved & seconded, that the Grand Committee, chosen to Write to England for a Deputation for the new Elected Grand Master, be continued, to further Order and Regulate what may be necessary to be done previous to the Installment of the said new Grand Master, and that any five of them be a Quorum to meet as Occasion may Require. Which Motion being put it was Voted unanimously.

Upon a Motion made, whether the Feast of S^t John the Baptist be Celebrated as usual, the Question being put, it past in the Affirmative.

Upon which it was ask'd whether, (if the Installment Feast should fall out about the Time of said Festival of S^t John) the latter should be Celebrated distinctly? It was Voted, that it should be left to the aforementioned Grand Committee.

The same Committee that provided the Feast last S^t John the Baptist's Day were now appointed to provide for the ensuing Festival. See page 113.

The Procession ended and all returned to their Places. The Grand Master took his leave of the Chair, in the following Speech.
Right Worshipful and Well beloved Brethren :

This is now the fourth Time I have Officiated in this important Office ; namely, that of the Installment of a Right Worshipful Brother, to fill up those Vacancies Death hath from Time to Time made in Solomon's Chair. As I look back on those Strokes of Providence, with Regrett, yet when I cast my Eyes around me and see so many Worthy Brothers advancing in all the Laudable Qualifications of Masonry, I am Comforted, and say to myself, Surely, Masonry can never want a Suitable Head, nor the Royal Craft a Leader.

It is with singular Pleasure I have seen the Unanimity in the present Choice, and the Concurrence of the Grand Master of England thereto.

Therefore, Brethren, let me once more take my Solemn leave of this Chair, by a Word of Advice to You : Let me recommend to You in the first place, a proper deference to your new Grand Master, Assisting him with your Advice and Aid, in carrying up that great Building, Charity ! Regard yourselves as a Body of People the most considerable in the World, selected into different Departments for promoting all the Good you can, in proportion to your Abilities and Oppertunities, not only to one another, but to all your Fellow Creatures, in publick obedience to the Laws of God, and the manifestation of the Social Duties we Profess. Let each Man, then in every such Department, study his usefulness ; not to recline himself in a round of Selfish Pleasures, or Associate for the purpose of Eating and Drinking, without first paying a peculiar regard to the great Business of Mankind, and to the use

of our Faculties as reasonable Beings. There is not a more evident Duty incumbent upon us, than to return the kindness we receive, and to be intent in furthering the Interest of those who have been employed in promoting ours. We should be always desirous of entertaining each other with Social, Virtuous and Cheerful Sentiments, shewing gladness when we meet, and ever Meet united. Our Conversation should be the true Knowledge and Improvement of our respective Sciences, Secrets, and Mysteries, for in Knowledge we shall find heavenly Truths. None of us should bring with him any Seed of Party Contention; We should preserve a Modest and subordinate Respect to those endowed with higher Abilities and Superiour Knowledge in the business of Life. Let us call on the great God, the divine Author of every perfect Gift, and the Wise disposer of all Events, to Adorn us respectively with this Jewel, Charity! and all other Materials, if he thinks it right and Meet so to do; to incorporate our Hearts with Unity, Love, Strength, and Wisdom, to Contrive, Conduct and Support the establishing in the three Grand Principles, Brotherly Love, Relief and Truth.

Finally, Brethren, I commit you to the Holy keeping of the Divine Architect, and the discreet Government of your Grand Master, wishing you all the Felicity that can arise from a Retrospect View of doing a Series of good Actions; and that such may be rewarded not only here, but hereafter, is the Ardent Wish of your much Honoured and Affectionate Friend and Brother, — who now Retires from Your Chair.

GRAND MASTER. I am now going to Inaugurate the Right Worshipfull Brother whom you have chosen to be Your Grand Master, but first let us Invoke the Almighty Grand Master, and giver of all Good Gifts for his Blessing on our Proceedings.

THE PRAYER.

O most Glorious and Eternal God! who art the infinitely alwise Architect of the Universe: We thy Servants Assembled in Solemn Grand Lodge, would now extol thy Power and Wisdom in the Works of Creation and Providence: Thou said let there be Light and there was Light: The Heavens opened and declared thy Glory, and the Firmament Spangled with thy handy Work; The Sun who rules the Day, gave Light to the Moon; The Moon who Rules the Night, tells to the listening Earth the surprising Story of her Birth, so that there is one Glory of the Sun, another Glory of the Moon, and one Star differs from another Star in Glory, and all by most Wonderous Signs and Tokens, without Voice, Sound or Language, solemnly Proclaim Divine Mysteries. We adore thee for that distinguishing Characterestick thou hast given of Man, being made in thine own Image, and hast above all thy Creatures made him Lord of this lower World, and given him a Capacity to imitate thy Moral Perfections. We beseech thee to give us thy

Servants at this Time, Wisdom in all our doings, Streugth of Mind in our difficulties, and the Beauty of Harmony in all our Communications with one another: But Grant, O Lord! that thy Servant now about to be Solemnly invested with the Authority and Rule over the several Lodges in this part of the World, may be endowed with Knowledge and Wisdom to iustruct and explain to us the Mysteries of Masonry; and grant that we may understand, learn and keep all the Statutes and Commandments of the Lord, and this Holy Mystery, pure and undefiled unto our Lives end; that Brotherly Love and Charity may always abound among us; let this be always the Cement of our Society, each one striving how to be most beneficial to Mankind:

And when we have finished our Work here below, let our Transition from this Earthly Tabernacle be to the Heavenly Temple above, there safely Lodged among thy Jewels, we may Shine with thee for ever and ever.

We ask all in the Name of him who stood on the Pinnacle of the Holy Temple, even Christ Jesus, our Lord, Amen.

The foregoing Prayer, performed by the Rev^d Brother Bass, The Grand Master Elect standing before Solomon's Chair, — and Grand Master Price at his Right hand, The Bible open at the Gospel of St. John, the Compasses open and the Square laid thereon all laid on the Table before the Grand Master, he proceeded to give the following Charge to the new Grand Master.

THE CHARGE

Right Worshipful Brother. The first and most essential Requisite towards a right Conduct in the great Trust you are undertaking, is to Study the Utility, as well as to enforce the Practice of all Moral and Social Duties. Another very useful Requisite to a right Conduct, is to know what particularly relates to yourself under this Trust; and by the influence of that Knowledge, to rectify your consequent Actions. This Precept was wrote in Letters of Gold over the Porch of the Temple of Apollo, and profess'd as a principle Maxim by all the Sages of Old. It is the true Philosophical and Practical Wisdom, which settles all Matters right within: It teaches us to regulate unguarded Passions, deliniates the true Scope and System of human Life, and is the only Apparatus for becoming a Patteru and a Guardian to Society.

Power is most wisely and properly Lodged in such Hands. In you, Sir, every Brother may have an able Friend and Councillor (as the Visitors of Apollo had from his Oracles,) not only to point out his Errors, but to be informed how they are to be corrected and Reformed. Could every Constitution be thus wisely delegated, it would be the most implicit Guidance to certain Honour and Happiness; for by you, Sir, thus founded and enlightened, Order, Politeness, Fortitude, Wisdom, Affability, Friendship,

Benevolence, Faith, Hope, Charity and everything Aimable in Society will be Administered; and, by your Example and Occasional Precepts from the Chair, you will so Amply fill, be kindled in the Breast of every Mason. Depend Sir, the application of the many valuable Maxims you abound with, will be enforced with less trouble and difficulty, than they are commonly received, as they will be made Familiar by your own Practice: And I don't Doubt but we shall soon see this Lodge beam out in Radiant brightness and disperse Light and Truth among all Masons. The Bible, Sir, which is that Sacred History called the Scriptures, delivered to us by Moses, the inspired Writer of Gods Commands, and Grand Master of the Lodge of Israel, together with the Writings of the Prophets and Apostles, is the Grand Archive of Masonry, and all the most eminent Virtues, Moral and Divine relative thereto; it is the Body of our Duty to him that made us, by whom we live, move and have our being. From our belief therein springs our Love and Fear of God, which is the beginning of Wisdom. Our Love and Fear of God, founded in the belief of the Gospel, inspires us with Spiritual discernment, illuminates our Faith, will enable us to Square our Principles, Level our Desires, and Plumb our Actions. Our Hopes, our Fears, and our whole Conduct become regulated thereby; they give to Virtue its sweetest comforts; to habituated Vice its greatest Fears. It is indisputably evident, that Princes, as well as Peasants, must equally submit to the common dissolution of Matter, and when the Hour of our Death Approaches, none dare to ask from whence, nor why it comes; it is Gods Decree that every one shall Die; Death is his Messenger to enforce his Law; nor will he let any of us carry from hence any Mark of human Pride, Treasures or Honours, or any Proof of our Earthly Consequence, but a good Conscience, obtained from a well spent Life; from whence reflects the most brilliant Legacy we can leave our Friends in this world, a good Name.

None but the Actions of the Great and Just
Can shine, when mingled are, with common Dust;
Then we, in Life, should pay respect to Fame,
And leave behind us an unspotted Name.

Here Sir, is the Bible, the Compass, the Square, the Level and the Plumb Rule, the Symbols of Masonry: The first is to be the Rule and Guide of your faith; the others are well known Instruments necessary to Builders. The Compass teaches us Prudence and Circumspection; The Square teaches us Justice and Truth; The Level and Plumb teaches us the Equality of States, and Uprightness of Conduct among Masons. If there be any Virtue and if there be any Praise, think on these Things.

Then Grand Master Price took the Collar with the Jewel appending thereto. and put it over the Neck of the new Grand Master, and said, "Receive this Jewel as the Badge of Dignity; The Sun

here Represented, as it enlightens, warms and Cherishes the Earth, so you are to be the Great Light and Comforter of the Lodges; The Compass extended on it, sheweth, that his Dimensions and Influences are within the Compass of Science, of which you are to be the Patron. Let me now Seat you in Solomons Chair,* and Cover you with the distinguishing Badge† of Superiority; and may you long enjoy this eminent Station, for the good of Masonry, and be a Crown of Honour to yourself for ever and ever.

The Grand Master, Deputy Grand Master, Grand Wardens, and all the other Grand Officers, Masters, Wardens and Brethren of Lodges in Course, Congratulated the New Grand Master upon his exaltation, and then retired to their Places.

Then the new Grand Master called to Order by a Stroke of the Hammer and stood up and gave his Benediction to the Brethren, as follows.

May the Grand Architect of the Universe, pour down his Blessings on this Society, and enable me to discharge the great Trust reposed in me, to the Honour of his Name. and the Royal Art; and may there never be wanting such to fill the Chair who shall promote Masonry, and the Good of Mankind, so long as the World endureth. Amen.

The Lodge was Closed in Form.— Then the Marshal call'd forth the Officers and Brethren in the Order they were to be formed for the Grand Procession to Church, as follows.

All the Time the Brethren were at Dinner the Bands of Musick Played, many fine Pieces of Musick, and after Dinner they were joined by the Organ, on which M^r Hartley shewed his excellent Skill and Judgement in Musick. After the Cloth was taken away and the Tables were properly covered, Bro^r Fitch moved for the Consideration of the Petition of Bro^r William Bant in behalf of Bro^r Jonathan Clark Lewis refer^d over to this Time, when the Circumstances of the Affair were made known to the Brethren present it was immediately agreed that a Collection should be made forthwith: Wherenpon the Grand Secretary carried about a Hat to the Brethren in the Order as they sat, and upon returning to his

Place found that he had gathered the Sum of Twenty Nine Pounds, One shilling and four Pence Lawful Money.

A Motion was made by Bro^r Fitch, that part of this Money be given to Bro^r Todd, who was in the Boat with Brother Lewis, and being a Stranger here and lost everything he had, after several Arguments it was agreed to be left to the determination of the Grand Lodge, to be Specially called on Wednesday the 30th Instant for that Purpose.

After this Affair was so far settled, the Musick went on till Night, when the Hall was finely illuminated, by Seventy two Candles in the Chandiliers and Seonsces, and by Nine large Candles in the several Lodges Candlesticks. The Evening was Spent in the foregoing manner till near ten o'Clock, when the Brethren mostly Retired.

Thus was ended this Grand Solemnity, much to the Honour of the Fraternity, as the like had never been seen in America before, what from the Richness of the Jewels, Badges, Cloathing, and Ensigns of Office — the Good Order and Regularity of the Procession, the appearance of many Honourable and Respectable Brethren, and the uniformity of the Cloathing the Spectators of all Ranks were struck with Admiration, except some few who call themselves Brethren, who had Sufficent to raise their Envy, for it appeared in the Countenances of several of them, as the Procession passed through the Streets to, and from Chnrch.

THE ANSWER.

Dear Sir.

NEWBURY PORT December 8, 1768.

I received Yours by the last Post, and am Obliged to the Brethren of the Special Grand Lodge, lately held at the Bunch of Grapes for the Compliment they were then pleased to pass upon my Sermon, and for the Honour they seem disposed to do me by Publishing it. I am not much used to standing upon Ceremony, especially with a Brother. Whenever therefore, I shall chance to find a Friend going to Boston, who is willing to take the Trouble upon him, I will send you the Sermon, or will deliver it to any Brother, or, other Person whom you shall desire to call at my House for it.

To the Right Worshipful John Rowe Esq^r Provincial Grand Master of Masons for North America.

The Petition of the Subscribers, humbly Sheweth. That we your Petitioners have this day met to celebrate the Festival of S^t John: We have hitherto been destitute of a Lodge in this Town. Upon an application made some year ago, our late R^t Worshipful Grand Master, granted a Deputation to our lately deceased Brother, Alexander Ross Esq^r but his business being great, and his infirmities greater, prevented his opening a Lodge. We now humbly beg that a new Deputation may be granted. The principle Motive of our meeting together this day is to unite in this Petition. We also beg leave to reccommend our Brother William Tyng Esq^r as a suitable person to preside over us as Master.

We shall always contribute according to our Abilities to the Support of the Grand Lodge, and we shall endeavour to make a true and perfect Lodge, by shewing Mankind we live in Brotherly Love.

We heartily congratulate our Brethren upon the happy choice, our Right Worshipful Grand Master of England, has been pleased to make, in appointing you Provincial Grand Master of America, and felicitate ourselves with the prospect of your continuing in

that important Station for many Years to come. That it may be the Case, Your Petitioners as in duty bound shall ever Pray, &c. :

FRIDAY July 28th 5769.

Being Grand Lodge Night or the Quarterly Communication in Course. The Right Worshipful Grand Master took into Consideration, (that as there was no Special Business to transact, and the Weather being extream Warm,) whether it was expedient for the Grand Lodge to Meet; when he determined by the Advice and Consent of the Deputy Grand Master and the Grand Wardens to defer the Assembling of the Grand Lodge till the fourth Friday in October next which will be the Stated Time of Meeting for the next Quarter, unless a Special Occasion should require their Meeting sooner.

WEDNESDAY August 9th 1769.

Last Saturday Night, departed this Life for a better, after a long Series of Misfortunes and Infirmities, that truly Upright, Faithful, Good Man, The Right Worshipful Cap^t James Forbes, who in the early Days of Masonry in America was initiated into the Mysteries of the Craft, was in July 5753 promoted to the Degree of Grand Warden, and in January 5756 to that of Deputy Grand Master: After he had passed through those Offices, (which he discharged with that Steadiness and Prudence, as did Honour to himself and great Service to Masonry,) he was in April 5757, Appointed Grand Treasurer, which Office he held several Years to great Acceptance, till his misfortunes in Business obliged him to shut up; Notwithstanding which, he restored the Lodges Stock entire to the new Grand Treasurer appointed upon his failing; which conduct argued his Love of the Society, in preference to the rest of the World. From a due Sense of his Integrity in the several Trusts reposed in him, his unblemished Name among Mankind, and the Respect due to him as a past Grand Officer: By Order of the Grand Master, as many of the Brethren as could conveniently be collected, were desired to attend his Funeral, with white Aprons and Gloves: Accordingly, about forty of the Brethren assembled at the Royal Exchange Tavern Yesterday Afternoon, about four o'Clock, and waited there till the Corps was brought out, when they proceeded in Procession, after the Manner usual at Funerals, dressed in all the rich Jewels belonging to the several Offices in Masonry, and so Marched in that Manner before the Corps to the Burial Ground; when arrived at the Gate the Brethren formed a Lane to let the remaining Procession pass through: When the Interrment was over they returned in the same Order before the Relations of the deceased; after seeing them home, the Brethren returned to the Exchange Tavern to deposite the Jewels and Cloathing, and then were dismissed.

On a Motion, that some Relief be granted by this Lodge to Bro^r Hugh M^cDaniell to clear him entirely from his Debts, which amount to about Twenty Pounds Lawful Money, the R^t Worshipful Bro^r Price generously Offered to pay Five Pounds Lawful Money towards the discharge of said Twenty Pounds, which was gratefully Accepted by the Grand Lodge, and they thereupon Voted, that the further sum of Five Pounds Lawful Money be granted and paid by this Grand Lodge out of their Stock towards discharging said Debts.

Last Thursday Morning, departed this Transitory Life (we hope for a better) The Right Worshipful Cap^t Hugh M^cDaniel past Deputy Grand Master of Masons for North America, he join'd this R^t Worshipful Society in the Year 1736 and from the Respect the Fraternity bore him, he was promoted to be Deputy Grand Master in June 1737; He was at all times a Zealous Brother, and shewed himself such, in his readiness to relieve the distress'd, of what denomination soever; in the latter part of his Life his Circumstances were greatly reduced, owing to misfortunes in Trade, Lenity to Debtors, and as far as he could keeping open his wonted bountiful hand to all who asked his Assistance.

His Funeral was attended by the Grand Officers, Officers & Brethren of the Lodges in Boston, who walked in Funeral Procession before the Body according to the Custom of Masons, he was respectfully followed by a number of respectable People of the Town, and was interr'd in the burial Ground of the Kings Chapel last Evening the 2^d Instant after which the brethren return'd to Bro^r Cutlers to deposite the Cloathing and Jewels &c.

*Brother Sec^y Brown,

We are much pleased to tell you, that we have received from you, by Order of our Right Worshipful Grand Master, his Requisition, summoning the Master and Wardens of all regular Lodges within his District, to meet in Boston at the Quarterly Communication of the Right Worshipful Grand Lodge, and deposit such Charity as will be agreeable to Hiram Lodge, in the Grand Fund of Charity in Boston, for the Relief of Distress'd Brothers. And also communicate to the Grand Lodge (agreeable to our Deputation) the Circumstances of our Lodge, and what else we shall judge will be for the Benefit of Masonry.

Brother Sec^y, With regard to the first Requisition of our Right Worshipful Grand Master, we have only to say, that not only the Notice since Reception of your very agreeable Letter is very short, but the Winter Weather very fatiguing, really forbids the Master and Wardens of Hiram Lodge, having the pleasure as well as the Honour of an Interview with our Right Worshipful Grand Master, and the Brethren, at the approaching Quarterly Communication; were it any ways convenient, would give them very sensible Pleasure, that from the Fountain they might still further be instructed in the pleasing Art of Masonry, in which they challenge nothing higher than being Pupils.

With Regard to the second Requisition, Brother Secretary, we have only to add, that Hiram Lodge has almost since its Formation, been in a state of Infancy, struggling for Life. No great Capital to support itself — Much to be pitied; But at the present rising against Opposition, having a very agreeable Prospect before us, that in Time we shall rise superiour to any Thrust, and with our Sister Lodges be able to remit to the Grand Fund what will be agreeable to our Right Worshipful Grand Master, to the Officers,

and Brethren Companions of our Mother Lodge, the Grand Lodge in Boston.

To the third Requisition with Regard to the Lodge, we think we have a Right to say, We yield to none without it be in Point of Capital—Honor and the Craft are the Darlings of Hiram Lodge.

According to our Deputation we annually (on the Eve of S^t John in Dec^r) choose our Master, Wardens, and other Officers, which is done with Solemnity, and invested in the same Manner. We are at present in the Town about 60 Members, most of them worthy Brothers that do Honor to the Fraternity, and we hope no Disgrace to that Society that gave us our Existance. Upon the whole, we wish every Happiness to our Right Worshipful Grand Master, and to the Lodges over which he presides, that Masonry every where may rise superior to every Attack, and flourish unblemished, in spite of Opposition, through revolving Ages.

¶ RIGHT WORSHIPFUL BROTHER

By order of the R^t Worshipful Master of this Lodge I am to answer yours of the 1st Jan^r last; also of the 30th of the same Month both which he has received together with the Petition of Br^o Russell.

The Remoteness of our Situation on an Island, & the Difficulty of passing in Winter; we hope will be accepted as a sufficient Excuse for our Non-attendance at the Grand Lodge, according to Summons.

Our Lodge is yet in its Infancy, the Members chiefly Seamen, and none of us blessed with a Fortune, our Lodge as yet not properly settled, furnished &c., &c. Insomuch that it is out of our Power (at present) to transmit any thing to the Grand Fund, but humbly hope that Maturity and the united Efforts of our greatest Abilities will, in a short Time enable us liberally to contribute thereto.

The calamitous Circumstances of Br^o Russell we look upon well worthy of the immediate Commiseration & Assistance of every tender hearted & good Mason; have therefore voted the Sum of 6£ to the Relief of our s^d unfortunate Br^o and the same transmitted to you pr the Bearer hereof, M^r Josp^h Roby. I am likewise directed to inform you, agreeable to our Deputation, that on the Celebration of the Feast of S^t Johu the Evangelist last past we proceeded to the Choice of new Officers, and then were elected

R. W. Master Br^o Timothy Folger Esq^r

S. W. Br^o Tristram Barnard

J. W. Br^o Thomas Worth.

Also Members admitted since our last are Br^s William Bunker, Josiah Coffin Jun^r, Zacheus Bunker, Phinehas Fanning, John Gardner 2^d, John Bard, Barrett Bard, Paul Pinkham, Robert Macy & Peleg Bunker all Inhabitants of this Island.

Right Worshipful Brother,

Do us the Honor to Believe that ever Member of this Lodge has the Honor of Masonry at Heart and will on all Occasions exert his utmost Faculties to promote the Royal Art.

By Order of TIMOTHY FOLGER Esq^r R. W. Master.

Much Respected Brother, NANTUCKET 10th Novem^r 1773.

I am directed by our Lodge to inform you that some time in Octob^r Ult^o we received a Petition from one Phillip Bass of Boston who is recommended to us by Bro^r Nath^l Barber (a truly worthy Member of our Society & in particular of this Lodge) to be a worthy Mason & in Circumstances really necessitous, all which we cannot doubt, but as we are most of us intirely unacquainted with Bro^r Bass who is an Inhabitant of Boston & immediately under the Eye of the Grand Lodge, we conceive that to be the

Chanel thro' which our Charity ought to be conveyed. We shall most willingly contribute to the Necessities of Bro^r Bass or any other Indigent Brother. But those who are Inhabitants of Boston we conceive should be represented to us as such by the Grand Lodge. Request your Answer with your Sentiments on this Matter as soon as convenient.

Worshipful Brother, Boston 30th November 1773.

I received a Letter from you bearing Date the 10th Instant wrote by direction of your Lodge, wherein you desire my Sentiments respecting a Grant of Charity requested from said Lodge by one Philip Bass of this Town.

I take this Opportunity to acquaint your worshipful Lodge, that I verily believe Cap^t Bass to be a genuine Mason, and in other respects a Man of a fair Character, and that he is in necessitous Circumstances; the Second Lodge in this Town, of which I have the honor to be a Member, looked upon all this to be fact, and made him a Grant very lately out of the Stock of the Lodge; your worshipful Lodge must however excuse me from presuming to dictate to them in a Matter wherein they are at perfect Liberty to act as to them appeareth expedient.

My Opinion coincides with theirs, that the Grand Lodge is the proper Chanel through which Recommendations for Charity ought to pass to the Lodges in this Jurisdiction, and I doubt not of their readiness in paying due Notice to such Recommendations when regularly Issued; but still, when any Brother petitions a particular Lodge for Relief, and they are satisfied with the Petitioners Character & Circumstances, it lays intirely with them to grant him such a Sum as they think convenient, or none at all, if they find the State of their Lodge at a low Ebb.

I could heartily wish that the Lodges within this Jurisdiction did exert themselves as much to increase the Fund of the Grand Lodge, as the several Lodges do in Boston; here, each Member pays one Shilling lawful Money Quarterly for the sole purpose of Charity, and the whole Amount collected is deposited Annually in the hands of the Grand Treasurer; which method if adopted by the Lodges in general, would prove greatly Advantageous to individual Brothers who might by the Providence of God be reduced to indigent Circumstances; for instance, if such a Brother should apply to a particular Lodge for Relief which had contributed to the general Fund of Charity, and it should not be in

the power of that Lodge to afford him such Assistance as they knew the exigencies of his Condition required: in such case they might with strict propriety recommend him to the consideration of the Grand Lodge for further Relief. I cannot but recommend this Method to the candid deliberation of your Lodge, and hope I shall not be deemed impertinent by so doing.

I sincerely wish your Lodge every Masonic Blessing and am with Esteem, their and your

Worshipful Brother,

NANTUCKET 16th Decem^r 1773.

Received yours concerning Bro^r Bass's Petition &c. am much obliged to you for the favor; have laid the same before our Lodge, who have voted for the Relief of said Bro^r Bass 3*£*. The Lodge also voted *£*6 to be sent to the G. Charity Fund, which you will receive by the Bearer hereof our Worshipful Master Br^o Samuel Barrett. Our Lodge as yet (as you must be sensible) is in its Infancy our Members generally Seamen & rarely a full Meeting. We have not as yet attained to that stated Method of Business & steady Economy we hope soon to acquire. We shall immediately enter into some regular method of depositing Money in the Grand Charity Fund & make use of the first Opportunity to inform you thereof, which tho' it may be little, as we are poor, hope it will be accepted of. The Worshipful Grand Lodge may be assured that we shall never be backward to contribute to the general Fund according to the utmost of our Ability: and that we shall on all Occasions contribute to the utmost of our Power in promoting the royal Art.

I am likewise agreeable to our Deputation, to inform the most Worshipful Grand Lodge that on the first Monday of this Instant in our annual Meeting for the Election of Officers we proceeded to chuse for the current Year the following (Viz^t) Bro^{rs} Samuel Barrett Master, George Calder S. W. John Shermau J. W. The Worshipful Masters, Treasurers, Wardens and Officers of each Lodge in Boston, with many of the Brethren of the Fraternity; they having been all summonsed on special Occasion.

The Right Worshipful Grand Master informed the Lodge the necessity we were under to form a well regulated plan, that our Brethren in distress may always find Relief by applying to this Lodge; for which purpose he proposed, and recommended, that Monies be raised and made into an aggregate Fund, for the Relief of such regular Brethren, their Widows. and Orphans, who, by the Providence of the Almighty Architect may be reduced to low Circumstances and need assistance; That he had drawn his designs for the Work, and doubted not of its being finished in such a masterly manner, as to last while Charity shall be a Virtue.

The beautiful fabrick of Masonry is *Benevolence!* The Pillars which have been and ever will be its support, are *Brotherly Love, Relief, and Truth*; The design being examined, the Lodge saw from it a prospect of lasting Honor, and Emolument, therefore they chose the five Brethren following, to wit, R. W. Benjamin Church, W. Samuel Barrett Esq^r R. W. Samuel Fitch, Esq^r R. W. Thomas Aylwin, Esq^r and R. W. Abraham Savage, to be a Committee, to prepare the work in such manner as might answer the

desired purposes, and to make report to the Grand Lodge, which Adjourned to Friday the 11th February to receive the same.

The said Committee having drawn up the following Rules, and Regulations, they beg leave to Report, and submit the same to this Right Worshipful Lodge.

Article 1st. A Book shall be opened in this R^t Worshipful Grand Lodge for all voluntary Donations to this Fund of Charity, and kept open at every Meeting, (Feast Days not excepted;) and as many Masons do attend the two Feasts, who are not Members of any particular Lodge, The R^t Worshipful Grand Master, or in his absence The R^t Worshipful Deputy Grand Master will, on every Feast Day, after he has returned Thanks, appoint two Brethren to go to such, requesting their Donations: a Subscription shall also be opened in this Lodge for the R^t Worshipful Grand Officers to sign such Sums as they choose to pay to this Charity Quarterly.

2^d. That a Subscription Book shall be opened in every Lodge under this Jurisdiction, that each Brother may Subscribe what Sum he chooses to pay Quarterly; the first payment to be made at subscribing, and so to continue paying during pleasure, one quarter in Advance. And inasmuch As many Brethren may be absent at the time of Quarterly Payments, 'tis expected they will pay their Arrears the next Lodge Night; and 'tis presumed the Hearts of many will be so dilated with this general and lasting plan for Charity, as to make some handsome Donations to set it forward: such Donations shall always be entered in a place distinct from Quarterly Subscriptions.

3^d. The Treasurer of each Lodge shall send to the R^t Worshipful Grand Secretary Quarterly, or as soon after as may be convenient, the Money so raised by Donations, or by Subscriptions, with a List of the Donor's Names, and the Sums given by each; also another List of the Subscribers, and the Sums paid by each; that the Money may be placed at Interest, and the Names and Sums of each may be Recorded in the Grand Lodge Books.

4th. No part of the aggregate Stock shall be diminished on any account whatever; but all Grants and Payments of Charity shall be made from the Interest Money only. This Article shall forever be Inviolable.

5th. The R^t Worshipful Grand Master, R^t Worshipful Deputy Grand Master, Grand Wardens, and Grand Treasurer, for the time being, together with all Masters of Regular Lodges under this Jurisdiction, shall be the Grand Committee of Charity; The Right Worshipful Deputy Grand Master in absence of the R^t Worshipful Grand Master, will always take his place and power; and all Masters of Lodges who do not reside in Boston may appoint their Proxies. We then proceeded to a convenient place, where we dined together as Brethren; from whence we walked back to the Lodge Room in Masonick Procession; the whole conducted with the greatest order, decency & propriety.

We have opened a Subscription for the Grand Fund of Charity, but by reason of the precariousness of the Times have thought proper to desist from collecting any Money on that head for the present. The Grand Lodge may be assured of the exertion of the utmost of our Abilities to further all such noble and generous Designs. I am also directed to inform you the number of our Members is Sixty-five; which increase very fast, God grant that neither Ambition, Lust of Power, Faction, Discontent or any other Offspring of the fatal Enemy of Masons may prevail to disunite the Hearts of Brethren, or prevent the increase of Unity, Love and Concord amongst us, or in any other manner abate the Ardour, with which I am your Affectionate Brother & hum^l Servant.

by order of the Right Worshipfull Master and Brethren

CHRISTOPHER HUSSEY Jun^r Sec^{ry}

The following Members from the United States Lodge being Admitted into the Grand Lodge, Viz^t

Bro ^r Nath : Greenwood	Amos Putnam
Franc ^s Yates	Nath ^l Gott
Joseph Wyer	Enoch Putnam

Having by writing Reported the determination of their Lodge at their Last Meeting; and answer'd to Several pointed Questions Made by this Grand Lodge particularly to the Constitution, Page 314. They withdrew.

The Grand Lodge then Came into the following Resolve. —

WHEREAS a Petition was presented to this Grand Lodge Under the 14th April 1779, By Nath^l Greenwood, Francis Yates, & Joseph Wyer, a Committee from the United States Lodge, Holding in Danvers Under this Jurisdiction — Praying said Lodge may be Removed to the Town of Beverly. —

The Grand Lodge Conceived, this Committee & Petitioners to be the Unanimous Voice of Said Lodge, did Grant the prayer of Said Petition. Since which a Petition has been preferrd to the Grand Lodge By Brother Putnam, & others, Members, of Said Lodge, praying the Lodge might not be Removed, for Reasons set forth in said Petition, whereupon The Grand Lodge Suspended the Removal.

The Petitioners having been heard (this Evening) It fully Appeard to The Grand Lodge; that there were more than Five Members, who, are willing to Support said Lodge. It is therefore the Unanimous Opinion of this Grand Lodge, that no Lodge may be Removed to any other Town, So Long as Five Members Continue to Support it We Therefore Recommend to the Members of Said Lodge they Cultivate Brotherly Love, and Friendship — the Cement of Masonary — that the Vulgar may not take the Advantage of any little difficulty that [may] Arise among Masons, to bring the Craft into disrepute.

Voted the G Sec^y furnish the United States Lodge, by their Committee — with a fair Copy of this Resolve.

A Return was presented from Washington Lodge Dated, West Point 18th July 1782 of the Choice of their Officers and list of Members.

a Report of the Committee to take into Consideration the Conduct of the Brethren, who Assumed the Power and Perogative of a General Lodge on the American Establishment Referr'd Over from last Quarterly Communication was read as follows :

The Committee appointed to take into Consideration the Conduct of those brethren, who Assumed the Powers and Perogatives of a Grand Lodge on the Ancient Establishment in this Place, and Examine the Extent of their Authority & Jurisdiction, together with the Powers of any other Ancient Masonic Institution within the Same ; Beg Leave to Report the Result of their Examination founded on the following facts, Viz^t :

That in Consequence of a Petition from a Number of Brethren of this Town to the Grand Lodge of Scotland, a Charter was Granted them under the Name of S^t Andrews Lodge, by the Most Wpfl & R^t Hon^{ble} Sholto, Charles Douglass, Lord Aberdour, and that by Means of a Subsequent Petition of the Said S^t Andrews Lodge, a Comission was made out & presented from the Most Wpfl & R^t Hon^{ble} George, Earl of Dalhousie, Grand Master of Scotland, to the Late Most Wpfl Joseph Warren Esq^r constituting and Appointing him, Provincial G. M. of the Ancient & Hon^{ble} Society of free and Accepted Masons, with Power of granting Charters of Erection within One Hundred Miles of this Metropolis, but that during the Jurisdiction of the Grand Lodge in form & manner thus Appointed, three Lodges only were Constituted by the Authority thereof.

That the Commission from the Grand Lodge of Scotland granted to our Late Grand Master Joseph Warren Esq^r having died with him and of Course his Deputy whose Appointment was derived from his Nomination being no longer in existence, they saw themselves, without a Head, & without a Single Grand Officer, and of Course it was evident that not Only the Grand Lodge, but all the particular Lo^ges under its Jurisdiction must Cease to Assemble, the Brethren be dispersed, the Pennyless go unassisted, the Craft, Languish & Ancient masonry be extinct in this Part [of the] World.

That in Consequence of a Summons from the former Grand Wardens, to the Masters & Wardens of All the Regular Constituted Lodges, a Grand Communication was held, to Consult & Advise on some Means to preserve the Intercourse of the Brethren.

That the Political Head of this Country having destroyed All connection & Correspondence between the Subjects of these States & the Country from which the Grand Lodge originally derived its Commissioned Authority, and the Principles of the Craft inculcating on its professors Submission to the Commands of the Civil Authority of the Country they Reside in, the Brethren did Assume an Elective Supremacy, & under it Chose a Grand Master & Grand Officers, and Erected a Grand Lodge with Independant Powers & Perogatives, to be exercised however, on Principles consistant with. & Subordinate to the Regulations pointed out in the Constitution of Ancient Masonry. That the Reputation & Utility of the Craft under their Jurisdiction has been most Extensively difused by the Flourishing State of *fourteen* Lodges, Constituted by their Authority, within a Shorter Period, than that in which *three* Only received Dispensations under the former Grand Lodge.

That in the History of our Craft we find, that in England there are Two Grand Lodges independant of each other, In Scotland the Same, and in Ireland their Grand Lodge and Grand Master are Independant of either England or Scotland. 'Tis clear that the Authority of some of these Grand Lodges originated in Assumption,

or otherwise they would Acknowledge the Head from whence they Derived.

Your Committee are therefore of Opinion that the Resolutions of the said Present Grand Lodge, were dictated by Principles of the Clearest Necessity, founded in the Highest Reason and Warranted by Precedents of the Most approved Authority.*

Your committee beg leave to recommend the following Resolutions to be Adopted by this Grand Lodge, & to be ingrafted into its Constitutions.

1st Resolved, That the Brethren of the Grand Lodge in Assuming the Powers & Perogatives of an Independent Grand Lodge, Acted on the Most laudable Motives and Consistently with the Principles which ought forever to govern Masons, the Benefit of the Craft & the good of Mankind; and are warranted in their Proceedings, by the Practice of Ancient Masons in All Ages of the World.*

2^d Resolved, That this Grand Lodge be forever hereafter known & Called by the Name of the MASSACHUSETTS GRAND LODGE OF ANCIENT MASONS, and, that it is free and Independent in its Government & Official Authority of any other Grand Lodge, or Grand Master in the Universe.

3^d Resolved, that the Sovereign Power & Authority of the said Grand Lodge, be Continued to Extend throughout the Commonwealth of Massachusetts, and to Any of the United States, were none shall be erected over such Lodges only as this Grand Lodge shall there Constitute.

4th Resolved, That the Grand Master, for the time being, be desired to Call in all the Charters which were held under the Jurisdiction of the late Grand Master Joseph Warren Esq^r and Return the same with an Endorsement thereon, Expressive of their Voluntary Recognition of the Power and Authority of this Grand Lodge.

5th Resolved, That no Person or Persons ought or can (Consistently with the Rules of Ancient Masonry and the Good Order of the Craft) use or Exercise the Powers or Perogatives of An Ancient Grand Master, or Grand Lodge, to wit, to give Power to Erect Lodges of Ancient Masonry, Make Masons, appoint Superior or Grand Officers, Receive dues, or do any thing which belongs to the Powers or Perogatives of An Ancient Grand Lodge within any part of the Commonwealth of Massachusetts, the Right full and Appropriated Limits to which the Authority of this Grand Lodge forever hereafter Extends.

THAT whereas a Representation has been made to this Grand Lodge, that the Charter of Perfect Union Lodge which was given up to this Grand Lodge, at their last meeting as appears by the Grand Lodge Books, has been returned without the Consent of this Grand Lodge, We are therefore of Opinion, that the giving back of that Charter, was illegal & unconstitutional.

The Lodges being Called over by the Sec^r the following were Represented, Rising States by Bro : Revere — Massachusetts by Bro : Scollay — Wooster by Bro : Brailsford — Hampshire by Bro : Porter.

Agreably to the Vote at the meeting of the last G : Lodge — Proceeded to the investigation of an imputation of Conduct highly derogatory to the Principles of good Men & Masons, as Charged by Bro : Baury against Bro : Jutau — Bro : Baury being present — A Letter was Rec^d and Read from Bro : Jutau declining his Attendance this Eve^s. — Whereupon The G : Lodge —

Voted — That a Committee of two be appointed to wait on Bro : Jutau, Bro^s Lowell & Bradford were accordingly Chosen to inform Bro : Jutau that the G : Lodge expected his Attendance at the Lodge now sitting. The Committee reported, that they had proceeded to Bro : Jutau's House, where they were informed that Bro : Jutau was not at Home — The G : Lodge then proceeded to make a full Enquiry into the Charge alledged against Bro : Jutau. Brother Baury affirmed that in the Year 73, 74, or 75, Bro : Jutau was Married in his Presence at Fort Dauphin to a Reputable young Lady Neice of — that within a Year after Marriage he left his Wife & Child, that some time after, he Bro : B. arrived in this Town, and found that Bro : Jutau was again Married, And since

that period, he has seen Bro : Jutau's first Wife at Fort Dauphin aforesaid. — Bro : Olive at the Request of the G : Lodge Attended, and Corroborates the Assertion of B^r Baury to this Point — that he knew Jutau's Wife after that he had Married in this Country — So that two Wives were living at one and the same time, he adds also — that during his Residence in the W : Indies, Bro : Jutau wrote him a Letter, inclosing a Billet for his Wife, with this injunction, that if She Signed it, he Bro : O : was to pay her ten Johannes on Bro : J's Acconn^t — Bro : O : waited on M^{rs} Jutau with the Billet, and that she informed him, “ that tho' she was very Poor, she wou^d not sign it ” — So that he did not give her the Money — that he has since discover'd the Billet contained a proposition for a Divorce. Bro : O : lastly Advs that M^{rs} Jutau previous to her Marriage & untill her Husband deserted her, had supported a good Reputation — Bro : O : retired. The G : Lodge having maturely Considered the Declarations made by Brothers Baury and Olive are Unanimously of Opinion, that the Allegation bro^t against Bro : Jutau and Published in the Herald of Freedom of the — Day of December 1789 under the Signature of Baury de Bellerive as it Respects the point nnder Consideration viz : his (Bro : J) having two Wives at one & the same time is fully Established. Whereupon Voted, Unanimously that Bro : Jutau's Conduct is and has been highly derogatory to the laws of Morality Society and Honor, & diametrically Opposed to the Principles of Masonry.

Voted Unanimously — that Bro : Jutau's office as S : G : W : of this G : Lodge is hereby Vacated, and that he be no longer Considered a Member of the G : Lodge.

And Voted, that John Jutau's Name be Erased from the G : Lodge Books by the Sec^y thereof, and that Notice be Given of these proceedings to all the Lodges under this jurisdiction.

An address to the Ancient & Honourable Society of *Free & Accepted Masons*, deliver'd at CONCERT HALL in BOSTON on the

Festival of S^T JOHN the BAPTIST, June 24th 1790 & submitted to the Massachusetts Grand Lodge at their particular request

By JOSIAH BARTLETT Esquire.

Ours are the plans of Policy & Peace
To live like Brothers & conjunctive all
Embellish Life. *Thompson.*

My Respected Brethren,

To open the volume of antiquity, & trace the progress of Masonry, thro' the successive ages of the world — to mark the enterprising spirit which distinguished our illustrious progenitors, & consider their gradual advancement in the liberal and mechanick arts, will always afford us the sublimest pleasure & impress our minds with the most exalted sentiments of that beneficent *architect*, who has furnish'd us with extensive capacities, & the power of communicating happiness.

What but *social principles* could have constituted the felicity of primeval man? And without *these* would he not have been equally happy, whether doomed, forlorn & forsaken, to traverse the inhospitable forest, or permitted to enjoy the uninterrupted sweets of Paradise? What “but the *genius* of masonry” enabled the pious family of Noah “to save a devoted world?” Supported by a reliance on the divine favour, they cheerfully obeyed the extraordinary command, and, having escaped the sad catastrophe, they offered the genuine effusions of Gratitude for their great deliverance, & received the sacred benediction.

What but the “masonick talent of conversing without the use of speech” mitigated the miseries of the sons of men, when deprived of the power of utterance, for an impious attempt to reach heaven with the memorable tower of Babel, they by a supreme command, were expelled the fruitfull plains of *Shinar*, to suffer the novel & complicated inconveniences of a general dispersion.

What but an active cultivation of *geometrick & social* inquiry, produced the various improvements that distinguish succeeding history, to the days of Solomon? who with unequalled *Wisdom*, pursued the grand design of his illustrious Father; and by a firm adherence to those immutable decrees, which are the strength of masonick Union, astonished an admiring world with Magnificence & *Beauty*. And what my brethren, but the happy influence of our noble *science*, has occasioned its universal spread, & supported its variegated progress, from the *rising* to the setting *sun*.

Unable as we are to ascertain with accuracy the history of *Masonry* from the infancy of Massachusetts: when we view its flourishing state in Europe, at that important period of enterprize, when we consider the rapid emigration from our parent country, & the necessity of mutual aid & support under the most incredible hardships & dangers: and when we mention the *freedom, fervency & Zeal* which mark'd the progressive steps of our venerable

ancestors, the grand principles of the *Craft* are so conspicuously illustrated, as to contradict any conjectures which arise from the want of authentick records.

It appears from the best information we are able to collect that in about a century after the arrival of the first settlers at Plymouth, a provincial Grand Master was appointed, by the Grand Master of England; & that several flourishing *Lodges* were commission'd by *him* & *his* successors, untill our political separation from the British empire.

In the year of Masonry 5755, a number of Brethren who had travelled, & many of whom were initiated into the *mysteries* of the craft in forreign countries, became emulous to cultivate the royal art under the patronage of the Grand Lodge of Scotland, & the prayer of their petition being granted they received a dispensation dated Nov^r 30th 5756, constituting them a regular body of *Ancient Masons*, under the title & designation of *Saint Andrews Lodge*.

The Beneficial effects of this exertion were soon experienced by the admission of many worthy & ingenious *craftsmen*, who, with a laudable emulation to extend its usefulness, in conjunction with three traveling Lodges, then held within the province, effected the establishment of a *Grand Lodge*, by a commission bearing date May 30. 5769. from the *Grand Master* of Scotland, to our late worthy & *most worshipfull Brother*, the Hon. JOSEPH WARREN Esquire whose authority was extended by an appointment of March 3^d 5772. throughout the continent of *America*. New Lodges were now frequently erected, public charges were given, & all ancient customs & usages were invariably observed.

The political events of the year 5775. produced important changes in the state of Masonry. These were no other than the heroick death of the Grand Master, on the celebrated highths of Charlestown, & a temporary dispersion of the Grand Officers, who, soon after the evacuation of Boston by the British army, on the following year, influenced by a pious regard to the merrits & memory of their departed patron were induced to make search for his body, which was rudely & indiscriminately buried on the field of Slaughter. They accordingly repaired to the *brow* of the hill & by the direction of a person who had been on the ground about the time of his burial, a spot was found, where the earth had been recently turned up, & was distinguished by a small *cluster of sprigs*. Having removed the turf & open'd the grave, the remains were easily ascertain'd,* & being decently raised, were conveyed to the State House in this metropolis, whence on the 8th of April 5776 after every mark of respect, & the Just tribute of patriotick & affectionate applause, they were committed to the silent tomb; "but as the whole earth is the sepulchre of illustrious men, his fame, his glorious actions, are deposited in universal remembrance" and will be transmitted to the latest ages.

* By means of an artificial Tooth.

How to assemble the Grand Lodge with regularity, was now made a serious question, as the commission of the *Grand Master* had died with *him*, & the deputy had no power independant of his nomination & appointment. Communications for the consideration of this subject, were held at different times untill the 8th March 1777. when, experiencing the necessity of preserving an intercourse of the brethren, & the want of a proper establishment, to soften the rigours of an active & distressing war, they proceeded to the formation of an *independent Grand Lodge*, with "powers & prerogatives, to be exercised on principles consistant with, & subordinate to, the regulations pointed out in the *constitutions* of ancient Masonry." And our late *worthy & Most Worshipfull Brother Joseph Webb Esquire*, whose amiable deportment & fidelity in the duties of his important office, now claim our greatfull remembrance, was duly elected *Grand Master* & proceeded to install his Officers & organize the *Grand Lodge*.

The flourishing state of the *craft* will be readily acknowledged when we consider that no less than fifteen Lodges were erected from this time to the festival of S^t John the Baptist 1783, when our *most worshipfull Brother JOHN WARREN* esquire, whose brilliant qualifications are too well known & too universally acknowledged, to need encomiums, was placed in the Chair of Solomon.

It was about this period, when the Grand Lodge "Warranted in their proceedings, by the practice of ancient Masons in all ages of the world" after the most serious deliberation, proceeded to pass resolutions, explanatory of its *title, authority, and Jurisdiction*, which with its laws & regulations, were engrafted into the constitutions & order'd to be transmitted to other *Grand Lodges*, requesting such correspondence from time to time, as would promote a friendly intercourse & advance the happiness of the *Craft Universal*.

In March 1784 a communication was received from the Brethren of Saint Andrews Lodge, expressive of their inclination to retain their Charter from the registry of Scotland; & withdrew from the controul of the Grand Lodge. The Members of this society had become very numerous, & a difference of opinion, with regard to an acknowledgment of this Jurisdiction, having for some time prevailed, they at length determined to accomodate themselves by a division of the Lodge; & accordingly those brethren who seceded. continued to assemble under a commission granted to Saint Andrews Lodge, (while their European Charter was retain'd by one of the original petitioners to the Grand Lodge of Scotland) untill the September following; when they received a dispensation, under the title of the *Rising States Lodge* with their former rank in the grand Lodge.

In the summer of 1785. a general convention of Representatives from the different Lodges, which had been erected since the year 1769. was held by the approbation of the grand Master to consider the state of Masonry throughout the Commonwealth. A candid

discussion served to strengthen & cement the authority of the Grand Lodge, & the result was harmony, beneficence & Good Will.

The next material event, was the festival of June 24th 5788 when our respected & *most Worshipfull Brother Moses M Hays* whose extensive knowledge in the mysteries of the Craft had Justly excited our attention, was duly elected & installed *Grand Master*: & who, by a steady perseverance in the various duties of his exalted station, has secured our affection & esteem. May he still continue a burning & a shining light around the *Masonick Altar*, And may the animated example of those, who have so Nobly reared this illustrious fabrick, produce in us a laudable emulation to support its influence, by a constant cultivation of those kind Offices of humanity, which will convince the world "that the *main pillar* of *Masonry*, is the love of Mankind." We will not shade the pleasures of this auspicious anniversary, by reciting the peculiar disadvantages that have arisen from the admission & depravity of unworthy *Brethren*, for the same unhappy fate has attended every other society of Men. And nothing but vigilance & care in the erection of new Lodges, accompanied with the greatest caution in the choice of candidates, can obliterate the pernicious effects.

The *secrets* of *Free masonry* have often excited the Jealousy, as well as the curiosity of the World. And Hawk-eyed Envy, with her banefull attendants, Calumny & detraction, have neglected no opportunity to spread their destructive influence, but let us remember the words of WISDOM "he that reproveth a scorner geteth to himself shame, & he that rebuketh a wicked man geteth himself a blot."

What, my Brethren, are the doctrines & precepts of our benevolent institution. Are they not so plain, & so easily understood, as to require neither the aid of logick, nor the force of Eloquence? Such then being our professed advantages, we ought, in our respective stations, to inculcate those sentiments which tend to rectify the heart, inform the mind, & promote the moral & social duties of peace, decency & good order in the World; To cherish the grand principles of *brotherly love, relief & truth*; To contribute our aid in support of the Government by which we are protected; And to exercise that god-like charity, which consists in giving of our abundance to the relief of the necessitous, and wiping the tear of sorrow from the disconsolate eye.

"Tis what the happy to th' unhappy owe,
For what man gives, the gods on him bestow."
Pope.

Massachusetts Lodge, represented by Brother Scollay, Rising States represented by Brother Revere, & King Solomons by Brother Bartlet.

The Committee appointed to consider the State of the Grand Lodge, and to liquidate & settle the Accounts, beg leave to report,

That there is a much larger sum due to the Grand Lodge, than is necessary to discharge the Debts, which they suppose will not exceed 130 dollars and having maturely considered the situation of the different Lodges, and compared the sums due with their various circumstances, they have assessed the sum of £58.16.0, which when paid as follows, shall be in full discharge of all demands to the meeting in December inclusive — Viz^t —

Rising States lodge	£ 2 . 8 . 0	Hampshire	£ 7 . 4 . 0

			<u>28 ,, 10 .</u>
			<u>£ 58 . 16 .</u>

It is the opinion of the Committee that a General Inattention to the Grand Lodge, and a want of strict adherence to its Laws & Regulations, has tended to lessen its importance, they therefore recommend that the foregoing Lodges, and them only be hereafter considered as within its immediate controul, that all the other Lodges be considered as having forfeited their right of connection, not to be restored but by consent of the Grand Lodge, and that the Grand Master cause the names and precedency of the aforesaid Lodges with the towns where they are holden to be re-

corded at large on a separate leaf of the Grand Lodge Book, to be a compleat list of the Lodges within its Jurisdiction at the present day.

The Committee further recommend that for the future support of the Grand Lodge, each of the said Lodges, with all such as may be regularly added shall pay at each quarterly communication nine Shillings, and that every Lodge not represented and neglecting to pay for the Space of twelve months shall positively forfeit their connection with the Grand Lodge, and it shall be the duty of the Grand Master for the time being to revoke the Charter of such delinquent Lodges.

It is further recommended that the Grand Master write to any Lodges within the limits of this Commonwealth not mention'd in this report, and request that they would either form a new connection with the Grand Lodge or return the Charters they have received by its authority, and that he also write to the Lodges under this Jurisdiction requesting the immediate payment of the sums assessed, and that they attend either by their Officers or by proxy agreeably to the regulations of the G^d Lodge.

It is further recommended that the Grand Lodge shall in future be summoned by an Advertisement in the Collumbian Centinel in two papers immediately preceding the proposed Meeting — in form as follows —

(which upon all Occasions we doubt not but you would still Continue,) We cannot but hope the sincere and hearty Congratulations of Our Lodge on your present happy Accession may meet with a favourable acceptance.

You have sufficiently distinguish'd your adherence to Our THREE GRAND PRINCIPLES in your Firm attachment to his Majesty's Person and Government which (with Joy we find) has preferr'd you to a second Commission (an uncommon Instance of Royal favour) and as the weight of so great a Charge must be attended with many concerns, so we heartily wish a happy Concurrence of every thing that may Render your Administration Satisfactory to your Prince, Advantageous to your People, and Easy to your Self; so that full of Days and full of honour (which but little Survives our Actions) you may finally meet with a reward of that Honour and Happiness which will be as Eternal as Inconceivable.

I am much Oblig'd to the Brothers of your Lodge for their kind Wishes of my Welfare and Prosperity in the Arduous affairs of Government, but above all that they extend them to my Obtaining a reward of hon^r and happiness that shall be Eternal. I have been receiv'd by the Good People here with uncommon marks of Respect and kindness, which I shall return by all such Acts of Goodness in my Power, as may most of all contribute to their Interest, & to their quiet & Satisfaction.

May you R^t WORSH^l BROTHERS, and all and every one of your Lodge live long in much health and Ease, and in such other Circumstances of Life as you would wish for your Selves, and when this Life must be Exchang'd for One that will have no end May you all be Happy thro the Mercy of God in Jesus Christ Our only Lord and Saviour, Amen.

[Reply to the same letter from Lodge in Edinburgh.]

To The Right Worshipfull Robert Thomlinson Esq^t Provincial Grand Master of New England at Boston.

Thrice Worthy Brethren,

Your letter presented by our worthy Brother M^r Patrick Robertson agreeably Inform'd us of the Foundation and firm Establishment of your Lodge in Boston, We rejoice at it with exceeding Gladness And as we all have the interest of Masonry nearly at heart we Use our Outmost endeavours to promote its advancement, And we felt a very sensible pleasure from Bro^r Robertson's relation of your good Management and The true Spirit of Masonry that so happily reigns amongst You.

We are Confident that as Masonry is but in its Infancy in New England You will not fail to act the part of affectionate parents in Assisting its progress with tender : but assiduous Care and form its Constitution into an agreable and Convenient Shape by infusing a Social disposition, a Charitable will and an harmonious Spirit into every Brother.

If true Masonry is thus rightly Cultivated in the beginning your prosperity will encrease, You will be strangers to disorder, & your Concord will outlast even time who has all things in his power: but the dissolution of Masonry.

We Salute You well beloved Brethren with the Greeting of S^t John and as your prosperity and harmony is already great, We wish it may daily encrease. We desire and will be forward in Continuing our Correspondance And we hope our Brotherly Affections will be strong enough to Surmount the Dangers of the Seas and overcome the distance of Our Situations. We are with Sincere Regard

Yo^r most affectionate Brethren
and humble Servants

The R^t Worsh^l Master Wardens and
Brethren of any Regular Lodge
In London.

[The Document of which the following is a copy is superscribed

&c — 1751.” Asking for the extension of Thomas Oxnard’s
authority over all North America.]

TO THE R^t HON^{BLE} & R^t WORSHIPFUL THE GRAND MASTER OF
ENGLAND: The Humble Remonstrance of the R^t Worshipful
The First Lodge of Free and Accepted Masons, and the other
Lodges, hereunto Subscribing —
SHEWETH,

That from the Acco^{ts} of the Transactions from the inchoation
of MASONRY in N^o America 5733 to the present Year We have had
successively THREE GRAND MASTERS Deputed from the Grand
Lodge who have each in their respective Commissions been Dis-
tinguish’d under the Title of PROVINCIAL GRAND MASTERS of North
America, Which Distinction if it implies Chief signifies that there
may Divers Grand Masters in different Provinces who are still
subordinate to him as Chief, and therefore from him and him
only or his Deputy should solicit or Receive their Deputations
which some Lodges have not Observ’d; Or *vice versa*, if by Pro-
vincial Grand Master is implied a Power vested in the Grand
Master over that Province only wherein he Resides or to which
he is appointed then our Grand Masters have Exceeded in Granting
Deputations to Distant Provinces as Philadelphia, Carolina, An-
tigua in the West Indies &c, which has prom[ot]ed so Considerably
y^e Interest of Masonry in North America, and which power if
limited to that Restrain’d must have prov’d detrimental to the
whole Craft, as must evidently appear from its present flourishing
situation in those Lodges who have Receiv’d their Original from
this Lodge.

We therefore beg leave to observe to the R^t Hon^{ble} and R^t Worsh^l
Grand Master that We have always look’d upon our Grand Mas-

ters in the most General Obvious and uncircumscribed sence of the Word, and if his sentiments shou'd agree with ours Our Prayer is as Masonry in British America has wholly Originated from us, and has made and still continues to make such an unexpected Progress,

That the R^t Hon^{ble} and R^t Worshipful GRAND MASTER would please to take our Prayer into Consideration and Grant to Our R^t Worshipful Brother THOMAS OXNARD Esq^r. our present Grand Master or his successors for ever for the time being, a Full and Plenary Commission to act as Grand Master in and over all the Lodges in the Provinces of Massachusetts Bay, New Hampshire, Connecticut, Rhode Island and Providence, New York, New Jerseys, Pensilvania, Mary Land, Virginia, North and South Caroliua's, Georgia, Newfound Land, and Nova Scotia, all which Provinces are Generally Distinguish'd under the Name of North America: And that all future Deputations or Constitutions be from him or his Deputy only, and all y^e Lodges in the District as aforesaid, do Communicate and Correspond with the Grand Lodge in North America thus Constituted, that from thence an Account of their several Proceedings may be Transmitted Annually to the GRAND LODGE IN ENGLAND, and as is now done by us, and to which we Referr you.

[Copy of a letter writteu by Henry Price to the Grand^s Secretary of the Graud Lodge of England, desiring a Deputation for Jeremy Gridley.]

Worthy and Dear Bro^r

It was with the utmost pleasure I saw a Letter from you to the Hon^{ble} Peter Leigh Esq^r with his Deputation appointing him Grand Master of South Carolina the last Year and whom I have had the pleasure of seeing in our Lodges in Boston.

I would Inform you that as I Rec^d my Deputation from the Right Hon^{ble} Lord Montague in April 1733 Sign^d by Tho^s Batson Esq^r D.G.M. George Rook and James Moor Smith Esq^r G.W. made out by Bro^r Reed late Grand Secretary for North America, which I held four Years and Constituted several Lodges, and was succeeded in the office by Bro : Tomlinson, and after him Bro : Oxnard who Dying it Reverted back to me again according to the Constitutions. Now with my consent all the Brethren iu North America have made Choice of our Bro^r Jeremy Gridley Esq^r Councillor at Law to be Grand Master for Three Years, and then the Brethren to have power to Continue him or apply for a new Grand Master, and as our numbers of Gentlemeu increase here and we are the oldest (or first Constituted) Regular Lodge in America, We have made application to the Grand Master of England for our said Bro^r Gridley, which application and Three Guineas we sent p. Cap^t John Phillips last Dec^r to our Rev^d Bro Entick Minister at Stepncy desiring him to forward the affair, but we are surpriz^d that we have not yet Rec^d the Deputation nor a Line from Bro Entick, whose Receipt we have for The Three Guineas p^d to him by the Said Cap^t John Phillips who using the Londou Trade may be now found at the new England Coffee House at Change Time.

I Therefore beg the favour of you to make enquiry after the Money, and application Transmitted as aforesaid to Bro^r Entick and as much as in you lies forw^d the affair, which I shall acknowledge as a great favour and will be a Service to Masonry in These parts.

Masonry has had as great Success in America since my Settling here as in any part of the World (except England). Here is not less than Forty Lodges sprung from my First Lodge in Boston. Therefore we desire that our Deputation may be made out for all North America or over all North America. I shall be glad of a few Lines from you even though you should have made out and forwarded our Deputation before this Reaches you; as I shall have sundry things to Communicate to you from Time to Time and cannot do it but by Letter to you, most of my old acquaintance of Masons being either Dead or Remov'd from London. I have some remote thoughts of once more seeing London with all my Brethren in the Grand Lodge after Twenty Two Years absence, In the mean Time I am

[Letter from the Grand Sec^y of England to Henry Price & his reply.]

Right Worshipful Sir,

As Brother Spencer's long illness may have prevented him from returning an Answer in course to you, I am ordered by His Grace Henry Somerset, Duke of Beaufort, Our Most Worshipful Grand Master, and the Hon. Charles Dillon, his Deputy, to acknowledge the receipt of yours, dated 27th Jan^y 1768 [See p. 133 *et seq.* of this volume.] inclosing a Letter from the Provincial Grand Lodge at Boston to the Grand Lodge in England, in favour of Brother Jackson, with Cash for four Lodges constituted in America; which have been duly registered, agreeable to your desire: But for the future I must request you immediately to forward to me an account of every Lodge when constituted, otherwise it is not to be expected they can rank in their Order of precedency.

I know not how your name should have been omitted in the List of Provincials; but Brother Robert Tomlinson, Esq^r is the first appearing in Our Books for any part of America during the Grand Mastership of the Earl of Loudon in 1736. These mistakes might have been long since rectified, if you had kept up, according to your Charter a regular annual Correspondence with the Grand Lodge. However, as it appears by some loose papers in my Possession that you had resigned in favour of John Rowe, Esq^r His Grace desires you will forward a letter to me relating to this point, per first opportunity, that the Provincialship may be properly settled, with an account of the date of his warrant. No deputation which has been granted since your appointment for any part of America, can affect you, as their authority can only extend over those provinces where no other Provincial Grand Master is appointed.

The success of Masonry in America under your patronage we learn with pleasure, and shall be ready on all occasions to express our sincere affection and esteem for those who study to promote its increase and prosperity. In the present eras the Society flourishes all over the world; I have the pleasure to inform you that not only

their Royal Highnesses the Dukes of Gloucester and Cumberland have joined the fraternity, but also the first Noblemen in Europe, vouchsafe to patronize our mysteries.

Our noble Grand Master and Deputy are resolved to revive the antient splendor of the Order by having it incorporated, with all expedition, a plan which cannot fail to merit the encomiums of all good masons, and previous thereto, the inclosed Regulations were confirmed at Our last Communication, which we hope will be duly enforced by you; and earnestly recommended to all the Lodges under your jurisdiction.

A speedy Answer to this, with the several Contributions to the Charity, and the money collected by the new Regulations, you are requested to forward to me as soon as possible; also a particular account of the Lodges in your province, as numbered at your Quarterly Communications with the names of their members and the places where and time when held that the General List of Lodges may be corrected. His Grace desires this may be duly attended to, and that you do regularly transmit at least once in a year the transactions of your Provincial Grand Lodge, with such sums as may be collected from the several Lodges under your authority for the General Fund of Charity and the other purposes of the Grand Lodge in conformity to the established Laws of the Craft as contained in the Book of Constitutions.

The quarterly donations from this fund distributed to relieve distressed masons are much increased of late years, which we hope will induce every Lodge in America liberally to contribute towards the support of this excellent Charity. I here send the particulars of our Cash account as stated at Last Communication, by which you will be able to judge of the utility of this establishment.

I have the honor to be, with all due respect,

Right Worshipful Sir,

Your affectionate Brother

and Obedient Humble Servant,

THO. FRENCH G. S.

New Bond Street

London, 29th Nov^r 1768.

[Reply to the foregoing.]

BOSTON NEW ENGLAND 3^d June 1769.

Right Worshipful Sir

I here acknowledge the Receipt of yours dated Nov^r 29th 1768, which came to hand the 27th April Ult^o and acquaints me with the Design of our most Worshipful Grand Master His Grace the Duke of Beaufort of getting the Antient Society of Masons Incorporated; this noble and high Intention of his Grace cannot fail of exciting Joy in the Minds of the Brothers; and if accomplished of giving the Craft its former Lustre.

I laid your Grand Committee's Regulation before our Provincial Grand Lodge for their Approbation, whereupon they chose a Committee for that purpose, [See p. 170 of this volume.] and I shall

forward everything that is necessary to the other Provincial Grand Lodges on this Continent upon the like Occasion. The Society being Incorporated must have a good Effect and be pleasing to every good Brother.

Dear Sir it would be tedious to explain the Matter of my resigning as Provincial Grand Master: I recommended our Right Worshipful Brother John Rowe Esq^r to be Provincial Grand Master of New England, but you cannot find that I ever gave up my own Appointment over all North America; this by the Blessing of God I shall explain to you and all our Right Worshipful Brothers face to face in London, some time in the Fall, as my Business will then call me home. I assure you Sir that I always had and still retain the Interest of Masonry at Heart; I have divers things of consequence to advise of, relative thereto, which cannot be so well Communicated by the Pen as in Person; then we may settle the Provincial Grand Masters and Rank the Lodges properly. I acknowledge the tender Regard that his Grace, and the Hon^{ble} Charles Dillon our Right Worshipful D. G. M have for the Brotherhood in America, and therefore Conclude with high Esteem for, and Brotherly Duty to, his Grace, The Hon^{ble} Charles Dillon and the Right Worshipful Brothers of the Grand Lodge of Masons in England.

I have the Honor to be with all due Respect

Right Worshipful Brother

Your Affectionate and Obedient

Humble Servant

[Reply to the foregoing, see p. 178 of this volume.]

DOCTORS COMMONS 6th Sept^r 1769.

SIR/ I am favored with your Letter of the 3^d June last, addressed to Bro^r French late Grand Secretary, wherein you intimate an intention of coming home some time in the Fall, and of settling with him the Provincial Grand Lodges &c.

As I have had the honour of being appointed B^r French's Successor in the office of Grand Sec^{ry} I beg leave to assure you that I shall have a peculiar satisfaction in being honored with your Masonic intelligence on all occasions, and shall be happy to see you in London whenever your affairs may call you thither.

I find by your above mentioned favor that you have received the design of His Grace of Beaufort for Incorporating the Society, which design, I am sorry to say, remains incomplete at this time; owing to the opposition of a discontented party, who we are informed have, for reasons known only to themselves, applied to the Lodges abroad. In order therefore to set the Transactions on this occasion in a proper light I have, by the Grand Master's directions, printed a state of the proceedings in Grand Lodge relative thereto, which I now inclose to you Sir; [See pp. 408-11 of this volume.] and request the favour of you to forward the same to the Lodges in America, except those in Canada, North and South

Carolina, to which Lodges I have forwarded the same myself. I beg you'll pardon the trouble of this application, and believe me to be with Truth and sincerity

Sir

Your most affectionate Bro^r
& obedient Servant

[Incorporation of Grand Lodge of England. Communication to
St John's Grand Lodge, Boston.]

Right Worshipful Master, and Brethren,

His Grace the Duke of *Beaufort*, our present most worshipful Grand Master, determined that the Lodges under the *English* constitution in distant parts, should not only enjoy the common patronage and protection of the Grand Lodge, (as heretofore,) but also be informed of every important transaction therein; has directed the following proceedings to be laid before you.

When his Grace entered upon the office of Grand Master, desirous of pursuing every measure that could promote the prosperity and dignity of the Craft, he consulted the annals of our Order, and found, that the fraternity had in former periods, acted under the sanction of *Royal Charters*; as in the reign of King *Athelstan*, and so lately as that of *Henry* the Vith. But he observed with concern, that those records had been unfortunately lost, through the intestine broils and confusion which happened afterwards.

These observations excited in his Grace a design of obtaining a new *Charter of Incorporation* from our present most gracious Sovereign; firmly persuaded that such *Charter* could not fail of producing the most advantageous consequences to the Craft; for though he observed that the society had flourished of late years, and augmented its fund by degrees, to a capital or about 1500 l. yet he could not doubt of its increase having been greatly retarded, through the insufficiency, and instability of the security on which such Fund depended; which objections, he apprehended, would, in future, be totally obviated by a *Charter of Incorporation*; as it would raise us from a *self-created body*, to a *legal permanent establishment*; would put us on a *more respectable footing in the eye of the public*; would enable us *effectually to secure our property, and recover legacies, and other donations with authority*, consequently to *enlarge our contributions to the distressed*, and render our charity *more generally beneficial*; circumstances abundantly sufficient to evince the necessity and utility of a *Royal Charter*.

His Grace's kind intentions having met with the general approbation of his grand officers, he desired the Deputy Grand Master to acquaint the society therewith. Accordingly, at a committee of charity, held the 21st of *October* last, the design was communicated

to the Masters of Lodges then present, who highly approved of such a measure ; but thought it would be proper first to consider of the means for raising a fund to *build a Hall, purchase Furniture and Jewels, &c.* for the use of the Grand Lodge. In consequence of this determination, a scheme was formed for raising money to answer those purposes, *exclusive* of the Grand Fund of Charity, and a meeting of the Grand Officers, with the Masters of Lodges, was called by advertisement, in order to settle such scheme, which, after various alterations and amendments, was then *unanimously* approved of. Notwithstanding the most perfect harmony and cordiality appeared at the several meetings before mentioned, and the Craft in general, seemed pleased with the conduct of the Grand Officers, and highly applauded their endeavours to serve the society ; yet this harmony was of short duration, for before the next Grand Lodge, a set of brethren, some of them past Grand Officers, (whether from an *envious* apprehension that the measures at this time pursuing would eclipse every thing that passed in their respective administrations, or from pique and disappointment at their not being *continued in office*, is uncertain.) formed an opposition to every act of the brethren then in office ; and at the quarterly communication held the 29th of that month, various debates ensued relative to *the scheme* ; but on putting the question for confirmation, it was, by a very great majority, approved of.

Disappointed in this attempt, the opposers took every Method to inflame the minds of the brethren by artful insinuations against the intended *Charter* ; which they apprehended would be the next consideration of the society. They accordingly visited Lodges in all parts of *London*, and endeavoured to persuade them that the *freedom and universality* of the society would be *destroyed* by a *Charter of Incorporation*, and that *they* were determined to *support its liberty and independance*. But these insinuations, however artful and plausible, were not attended with any great success ; the brethren in general, saw through the mask, and treated them with proper contempt ; fully convinced, that nothing more was meant by the Incorporation, than to render the society more respectable and permanent, without affecting the universality, or the fundamental laws thereof, in any manner whatever.

By insinuations, however, of this sort, a report prevailed, that a great number of the society *disapproved* of an Incorporation, which induced the Grand Master to call a meeting of the Grand Officers, and Masters of Lodges, to know their final sentiments on this point ; when, out of near 100 present, there appeared only 12 or 15 who dissented : The rest applauded the measures taken, and signed a respectful letter to the Grand Master, returning him thanks for his past conduct, and requesting him to proceed, *so far* as to have a form of the intended Charter drawn up, and sent to the several Lodges for their approbation ; which the Deputy Grand Master assured them should be done, before any farther steps were taken ; alledging that the Grand Lodge *only* could determine, whether the society should be Incorporated or not.

But how vain were all those efforts to preserve peace and harmony; disappointments in succession, drove the discontented to desperate means; *desperate indeed they were*; for immediately after the last public meeting, the Master, and Past Master of a Private Lodge, in the name of that Lodge, caused a *caveat to be entered* in one of the Offices, through which the Charter was to pass; with a view, if possible, to *deter* the society from prosecuting their laudable intentions; thereby creating a necessity to have a hearing before the Crown Lawyers, as to the utility of a measure, which could only be argued *with propriety*, in the Grand Lodge; and this step was taken, *even before any plan of the charter could be prepared*, and before they knew, whether by the tenour thereof, the society would have the least reason to regret what had been done. This *audacious* proceeding, did not, however, pass unnoticed; a complaint was made against the Lodge, *for daring to enter such a caveat*, and thereby counteracting the authority and determination of the Grand Lodge.

At the Quarterly Communication, held the 28th of *April* last, the brethren voted this Lodge guilty of a *high offence*; and a motion was made, that their constitution should be taken away, which would undoubtedly have been the case, so incensed was the society at their proceedings; had not the Master desired permission, (as an atonement for the offence,) to ask public pardon, which he accordingly did; and the Lodge was thereupon restored to favour.

At the same Grand Lodge the Deputy Grand Master informed the brethren, that, agreeable to his promise, a plan of the intended Charter of Incorporation had been sent to the several Lodges for their approbation, and that the following return had been received. For the Incorporation 168 Lodges, against it 43. A motion was then made, and the question put, whether the society should, or should not be Incorporated, and it was *again* carried in the affirmative, by a *very great* majority.

After this fresh check, the party had recourse to their usual mode of procedure. A private meeting was called, to consider of the steps necessary to be taken in support of their Cause; when some few *Enthusiasts* proposed an attempt to *divide* the Society; but this Motion was over-ruled by the *more moderate* part of the Company, who it seems were of opinion, that the *Caveat*, already entered, should remain, (notwithstanding the *determination* of the Grand Lodge) and the Charter be opposed; and in case their Objections should be over-ruled, and the Incorporation take place; then to attempt a *division*, and set up a new (*pretended*) Grand Master; with which Resolution the Meeting broke up. Yet in this they will probably be deceived, as no Nobleman or gentleman can approve of behaviour, so directly repugnant to the Laws and Principles of our Order, calculated to suppress all party Cabals, and to encourage Harmony and Peace.

In this situation Affairs remain at present, and as they are of

the utmost concern to this society, the Grand Master was unwilling to omit this opportunity of transmitting you an account thereof.

I shall only add, that as Transactions of the best tendency, may (by a disappointed Party) be represented as fraught with the blackest and most pernicious consequences; the most Worshipful Grand Master trusts, that if any application should be made to our brethren abroad, they will be treated with proper contempt, and that the respective Lodges will transmit to me the purport of such applications. Be assured the present Grand Officers have ever had the real interests of the society at heart; and it is expected, notwithstanding all opposition, that the Charter of Incorporation will be obtained, (of which you shall have proper notice) and that it will tend to the general good of the Craft; for with that view, and that *alone*, it was first proposed. Your contributions as usual, will be received with due respect. I wish the brotherhood every happiness, and remain with sincere regard,

Right Worshipful Master, and Brethren,

Your Most Affectionate Brother,

Doctors Commons

Our Brothers of the G. In the Meane While I Remeain to the Most Worshipfull his Grace of Beaufort G M : the Grand Lodge and all the well wishers to a Charter thair Moste Obediant Hum^{ble} Ser^t and faithfull Bro^r.

DOCTORS COMMONS 15th February 1770.

SIR/ I have duly received your Favor of the 20th December last, the contents of which have been communicated to the Grand Master, and have the pleasure to assure you — That your Sentiments on the subject of Incorporation gave him much pleasure. Such an Establishment cannot, I think, fail of answering the most salutary purposes to the Society — and indeed the Opinion of the Grand Lodge, fully justifies my Ideas; for there are not, at this time, more than 12 or 14 Lodges who dissent, but those dissentients give a great deal of trouble, owing to their having the property of the Society so much in their power, that I'm afraid we shall be obliged to File a Bill in Chancery for the recovery thereof. This Property stands in the Bank, amounting to £1300; and is there invested in the Names of the Treasurer, and his two Sureties. One of those Sureties refuses to give up the Money, according to the directions of the Grand Lodge; and as the Obligees are of the same Opinion — *A Bill in Equity* is our only remedy. The Incorporation is therefore at a stand till the determination of this point, which is the principal Obstacle to its Execution. As soon as anything farther is done, you may depend on hearing from me. I have Inclosed the Grand Treasurer's account of Contributions at the last Grand Lodge, for your Information; and trust you will be kind enough to forward the several Pacquets agreeably to their directions — which will greatly oblige

Sir

Your Most Obedient Servant
and Faithful Brother

The Grand Lodge is informed by the R : W : D : G : M That a Brother now a Prisoner here for Rebellion desired to Visit the Lodges the Request was made to him yesterday by an inhabitant of the Town who sais he is a Mason he was informed the request would be made to the Grand Lodge this Even : & their Sentiments communicated to him.

The Grand Lodge recomands to the Brother who is Prisoner a due consideration of the Second Grand Charge in the Constitution Book as he may not have the Book by him the following is Copy

A Mason is a peaceable Subject to the Civil powers wherever he resides or works & is never to be concerned in plots or conspiracys against the peace or welfare of the Nation, nor to behave himself undutifully to inferior Magistrates ; for as Masonry hath

been always injured by War, Bloodshed and Confusion, so ancient Kings & Princes have been much disposed to encourage the Craftsmen, because of their peaceableness & LOYALTY, whereby they practically answered the Cavils of their Adversarys & promoted the honor of the Fraternity, who ever flourished in times of peace. So that if a Brother should be a Rebel against the state he is not to be countenanced in his Rebellion however he may be pitied as an unhappy Man; & if convicted of no other crime, tho the LOYAL BROTHERHOOD *must and ought to disown his Rebellion, & give no Umbrage or Ground of political Jealousy to the Government for the time being;* they can't expell him from the Lodge, & his relation to it remains indefeasible.

Besides the above Law, tis difficult to know how the Brother can spend time out of prison from 7 to 10 OClock at Night — the Master of no Lodge in this City can permit a Vissitor to stay in the Lodge after he has received the Civilitys of a Mason, if his Company be disagreeable to any one Member — our unhappy Brother while he persists in Rebellious principles will be disagreeable to the members of each Lodge.

HALIFAX, OCTOBER 18. 1784.

Sir,

On Sept^r 6. I received your Letter bearing Date August 20. but my present Business, namely School-keeping, has prevented my replying 'till this time; and do now acquaint you, that I have in my possession, a bound Book of Records, a large Silver Seal, the Secretary's Jewel and Collar, a Subscription Book, and a File of Papers, all belonging to the Grand Lodge, under your Jurisdiction, which I brought from Boston, while in the Office of Grand Secretary; and do assure you, that considering the Antiquity of the Records, and the usefulness of the Seal and Jewel to your Grand Lodge, am surprized that no earlier Application has been made to me respecting them, — for my own part, I view them as consequential Matters, and unfit to be trusted in the hands of any *indifferent Man* — and *no other* to my knowledge has appeared here from Boston, since your Request reached me. I am ready and willing to deliver the Articles to any Person properly authorized either by the Grand Lodge or yourself to receive them, and give me a Receipt for them.

Inclosed is my Account with the Grand Lodge, by which you will find a Balance of £3., 9., 10 Lawful Money due to me as Grand Secretary, which is strictly just, and which I think the Lodge can have no reasonable objection against discharging immediately; and which I as a faithful, laborious Servant in my late Office have a right to expect, and my present Circumstances

urge for, and shall depend upon its being done by the Person who may be authorized to call on me for the Articles you request.

I have also a bound Book of Bye-Laws, and a bound Book of Records, the Property of the Second Lodge, which I am willing to deliver with the other Matters, if requested.

I am with all due Respect

Sir,

Then followed the Relations — after them the Lawyers in their Robes — then the Gentlemen of the Town & then a great many Coaches, Chariots, & chaises. — Such a multitude of Spectators, I never Saw at any time before since I have been in New England. — after his Body was Interr'd wee Return'd in Form to the Town house (from whence his corps was taken from at the Beginning of the Procession,) in the Same Order as wee first Walked. — I do not much approve of Such parade & Show — but as it was his & his Relations desire, I could not well Avoid giving my Consent. Little Notice of the Message — they met again this Afternoon. I told them that I had Purchas'd A Cargo for Cap^t Bruce Ship — that it was on the Wharff & that Cap^t Bruce when he arrivd would apply to The Body. & that I would Endeavour to prevail on him to act with Reason in this Affair & that I was very Sorry he had any Tea On Board — & which is very True for it hath Given me Great Uneasiness.

I staid some time at the Meeting & was Chose a Committee Man much against my Will but I dare not say a word. * * * *

HENRY PRICE'S LODGE IN LONDON.

It has long been a matter of interest and research to learn in what Lodge Henry Price, Esq, received the degrees in Masonry, and of what Lodge in London he was a member. The answer to the former query cannot as yet be given, but the following facts answer the latter, and trace his Lodge from Rainbow Coffee House, 1730, to Free Masons' Hall, 1886.

On the minute book of the Grand Lodge of England for the year 1730, the names of the sixty-three members of "Lodge No. 75, Rainbow Coffee House, York Buildings," are given. The fifty-third name in that list is that of HENRY PRICE. It is recorded on the tombstone of Henry Price, at Townsend, Mass., that "He was born in London about the year of our Lord 1697: he removed to Boston about the year 1723." (See Proceedings of Grand Lodge of Massachusetts, 1871, p. 285.) Mr. Price, in his letter of Aug. 6, 1755, (See Appendix to this volume, p. 402.) to the Grand Secretary of the Grand Lodge of England, said, "I have some remote thoughts of once more seeing London, * * * after Twenty-Two years' absence." Mr. Price, therefore, visited London after his arrival in this country, and returned in 1733, probably bringing his deputation with him.

In the minute book of the Grand Lodge of England, the "List of Lodges 1730-32" designates the Lodge of which Henry Price was a member as "75 Rainbow Coffee House in York Buildings." The List of Lodges as recorded in said Book, 1736-39, adds to the name of the Lodge its date of constitution, viz.: "75 Rainbow Coffee House, York Buildings. 17th July, 1730." In the List of Regular Lodges, according to their seniority and constitution, of 1740, No. 75 appears under the number and name of "62 *Gun Suffolk S^t* July 17th 1730." In the List of Lodges of 1756, No. 62 becomes "37. Two Figures. At Putney. July 17th 1730." A new and corrected list of all the regular Lodges in 1770 (according to the dates of their constitution), by order of the Grand Master, ranks No. 37 of 1756, as "33. White Lion at Putney. July 17. 1730," which in 1781-82 becomes "29. Britannic Lodge, Star and Garter,

Pall Mall." The Lodge retained this latter name and continued meeting at the Star and Garter from 1792 to 1813, except in 1792, April 18, its number is changed from 29 to 27. In the "List of Lodges on the Roll of the United Grand Lodge of England, A.D. 1814," No. 27 becomes "42. Britannic Lodge, S' James Street." This name has been retained until the present time, though the number has been changed. No. 42 of 1814 becomes No. 38 in 1832, which is changed to No. 33 in 1863. The Lodge is now enrolled as "33 Britannic L. Free Masons' Hall, London."

The transition from the names of the Masonic taverns, where the Lodges met, to distinctive Lodge names took place subsequent to 1768. Every Lodge in England prior to that time took the name of the tavern where it met. If it moved from "Two Figures" Tavern to "White Lion" Tavern, its designating name changed accordingly. Yet the Lodge retained its identity. The changes in the number of the Lodge resulted from erasures, prior to 1813, and afterward, from the Union which occurred in that year.

The following table indicates the changes in the number, the place of meeting, and the name of the Lodge in London, of which, Henry Price was a member: —

No.	Name.	Place of Meeting.	Year.
75	Rainbow Coffee House	York Buildings.	1730.
62	Gun	Suffolk Street	1740.
37	Two Figures	At Putney	1756.
33	White Lion	At Putney	1770.
29	Britannic	Star and Garter, Pall Mall	1781.
27	Britannic	Star and Garter, Pall Mall	1792.
42	Britannic	St James Street	1814.
38	Britannic	St James Street	1832.
33	Britannic	St James Street	1863.
33	Britannic	Free Masons' Hall, London	1874.
33	Britannic	Free Masons' Hall, London	1886.

PROPOSAL FOR A GRAND MASTER GENERAL OF THE UNITED STATES.

[The Archives of the Grand Lodge of Massachusetts contain the following correspondence. See pp. 284-289 of this volume.]

PHILADELPHIA, August 19th, 1780.

Sir:

I do myself the honor to address you, by order of the *Grand Lodge of Ancient York Masons*, regularly constituted in the City of Philadelphia. This Grand Lodge has under its jurisdiction in

Pennsylvania and the States adjacent, *thirty-one* different regular Lodges, containing in the whole more than *one thousand* Brethren. Enclosed you have a printed abstract of some of our late proceedings, and by that of January 13th last, you will observe that we have, so far as depends *on us*, done that Honor which we think due to our illustrious Brother, GENERAL WASHINGTON, viz., electing him Grand Master over all the Grand Lodges formed or to be formed in these United States, not doubting of the concurrence of all other Grand Lodges in America to make this election effectual.

We have been informed by Col. Palfrey that there is a Grand Lodge of Ancient York Masons in the State of Massachusetts, and that you are Grand Master thereof; as such, I am, therefore, to request that you will lay our proceedings before your Grand Lodge, and request their concurrent Voice in the appointment of *General Washington*, as set forth in the said Minute of January the 13th, (which, as far as we have been able to learn), is a Measure highly approved by all the brethren, as being for the honor and advancement of our Royal Art.

Your Answer, as soon as convenient, is requested by Sir,

Your affectionate Brother & Most obed^t humble Servant,
For the Grand Lodge of Pennsylvania,

JOSEPH WEBB Esq^r Boston.

WILLIAM SMITH,
Grand Sec^y.

BOSTON, September 4th, 1780.

Sir:

Your agreeable favor of the 19th ult., I duly received the 31st, covering a printed abstract of the proceedings of your Grand Lodge. I had received one before, near three months, from the Master of a travelling Lodge of the Connecticut Line, but it not coming officially, did not lay it before the Grand Lodge, but the evening after I received yours, it being Grand Lodge; I laid the same before them and had some debate on it, whereupon it was agreed to adjourn the Lodge for three weeks, to the 22d instant, likewise to write to all the Lodges under this Jurisdiction to attend themselves if convenient by their Master and Wardens, and if not, to give instructions to their proxys here concerning their acquiescence in the proposal.

I am well assur'd that no one can have any objections to so Illustrious a person as General Washington to preside as Grand Master of the United States, but at the same time it will be necessary to know from you his prerogative as such; whether he is to appoint sub-grand or Provincial Grand Masters of each State; if so, I am confident that the Grand Lodge of this State will never give up their right of electing their own Grand Master and other officers annually. This induces me to write to you now, before the result of the Grand Lodge takes place, and must beg an answer by the first opportunity, that I may be enabled to lay the same before them. I have not heard of any State except yours and this

that have proceeded as yet since the Independence to elect their officers, but have been hoping that they would.

I do not remember of more Grand Masters being appointed when we were under the British Government than South Carolina, North Carolina, Pennsylvania, New York and Massachusetts, but now it may be necessary.

I have granted a Charter of Dispensation to New Hampshire till they shall appoint a Grand Master of their own, which suppose will not be very soon as there is but one Lodge in their State. Inclosed I send you a list of the officers of our Grand Lodge, and have the honour to be, with great respect and esteem,

Your affectionate Brother and humble servant,

JOSEPH WEBB,
Grand Master.

The Rev^d D^r WILLIAM SMITH,

Grand Secretary to the Grand Lodge, Philadelphia.

[Oct 16th 1780, the Grand Lodge of Pennsylvania, in special session,] “appointed the Grand Secretary and Bro. Palfrey [of Boston] a Committee to prepare an answer to the above letter from the Grand Master of Massachusetts, and lay the same before this Lodge tomorrow evening, to which time this Lodge is adjourned.”

[The answer prepared as above is in the Archives of the Grand Lodge of Massachusetts and a copy may be found in the Early Records of the Grand Lodge of Pennsylvania, Part 1, p. 20.]

BOSTON, Dec 11, 1780.

Rev^d S^r & Respected Brother,

Your agreeable Answer to my last I duly rec'd, & y^e 1st inst being Grand Lodge & Quarterly Communication, I laid it before them, but as 6 or 7. of the Lodges were not represented, it was tho't best to Adjourn to the 2^d Friday in Jan. next, [See p. 286 of this volume.] & the Grand Sec^y was order'd to write to all the Lodges under this Jurisdiction informing them that they should then proceed on that business in particular. Those who were present were well satisfy'd by Your Answer. But should they Adopt the propos'd Election, the Season is so far Advanc'd, it will be difficult to send a Committee to the Convention by the time now propos'd. However if Bro^r Palfrey should continue with you, 'tis probable he will be on^e, & we may likewise Authorize some others out of the Massachusetts line of the Army, as it will be Expensive sending so far. However I should be glad of your Opinion on this Head.

My Respectfull Compliments to all Your G. Lodge, & Accept the same yourself from

y^r Affect^o Bro^r & H. Serv^t
J. WEBB.

To the Rev^d D^r SMITH,
Philadelphia.

QUARTERLY COMMUNICATION.

PHILADELPHIA, March 26th, 1781.

Right Worshipful WILLIAM BALL, Esq., G. Master.

10 Lodges represented.

A letter was read from the Grand Master of Massachusetts, enclosing the following resolve of the Grand Lodge of Massachusetts [See p. 288 of this volume.]:—

As this Grand Lodge has not been acquainted with the opinions of the various Grand Lodges in the United States respecting the choice of a Grand Master General, and the circumstances of our public affairs making it impossible we should at present obtain their sentiments upon it; Therefore: Voted, That any determination upon the subject cannot with the propriety and justice due to the craft at large, be made by this Grand Lodge until a general peace shall happily take place through the Continent.

From the Grand Lodge records,

WILLIAM HOSKINS,

Grand Secretary.

Boston, January 12th, 1781.

[The following document is in the Archives of the Grand Lodge of Massachusetts, the report being in the handwriting of Dr. John Warren, the remainder being in that of the Grand Secretary.]

The Committee Report that in their Opinion it will be expedient for this G. L. to comply with the Proposal made by the G. L. of Pennsylvania for forming a general Convention and they beg leave to recommend that the following Letter be written in Answer thereto.

As men and as Masons the Massachusetts Grand Lodge acknowledge themselves under great Obligations to the G. L. of Pennsylvania for their kind attention to the Interests of Masonry in General as well as for their laudable Disposition towards a friendly and fraternal Intercourse with this G. L. in particular.

After the reception of their favour of — by the most worshipful G. M. Joseph Webb, Esq^r an answer was returned acknowledging the same, but as matters of a serious nature respecting the Principles therein contained were then in Agitation a Committee was chosen to writ an answer to the several Propositions as soon as final Decision upon those Matters should take place.

It will appear by the Declaration of rights of the Massachusetts G^d. L^d., a true copy of which is hereiu inclosed, that this G. L. only adopted the Sentiment of a Secession from the G. L. of Scotland.

In the year 1777 application for Charters of Erection and Constitution, having been made by a number of Masous to the ancient G. L., of which the late Jos Warren Esq^r. had been G^d. M., as

many of the officers of that G. L. as could be assembled, met in form of a G. L., the Deputy Grand G. M. then in the Chair. And after carefully attending to the Constitutions and Usages of Masons in all ages and the Principles upon which that G. L. existed, they were unanimously of Opinion that they could not legally grant Charters because the late G. M. J. W. held his Authority by Virtue of a Commission given to him only, as *provincial* G. M. and to be revoked at the Pleasure of the G. L. of Scotland, now the Principal being dead the Commission was of Consequence vacated.¹ They then assumed the Powers of a G. L.

From the foregoing the Principles then adopted by this G. L., upon which they have practised & from which they have never seen occasion to recede, may readily be collected.

What is said to be the prevailing Opinion among our Brethren of Pennsylvania is therefore exactly coincident with the Sentiments as above avowed.

With respect to the 2^d Circumstance mentioned in the Letter this G. L. is an Instance.

As to Applications for grand Warrants, it was originally the Opinion of this G. L. that the only proper Authority, for constituting G. L. in these sovereign states, was that which should be derived from the People — and that wherever a number of Lodges existed in a free sovereign & independent state, those Lodges had a right of Convening to erect a G. L. and it appears from the Book of Constitutions, that when by Reason of Revolutions in the State or the Neglect of the G. M. or G. L. Communications had been for some time discontinued, the Officers of the respective Lodges assembled, formed a G. L. & chose a G. M. accordingly. Should the G. L. of any one state delegate a Power to Masons in another state to hold a grand L., it is clear that the G. L. so constituted must be subjected to that from which the Power was derived, a Distinction which it was thought ought not to subsist between the G. Lodges of these United States.

The W. G. L. perceiving this, when associations were forming in another state, did not grant them a Charter in the usual stile, but a Dispensation to hold a Lodge and make Masons till there should be a G. L. in that state, an event which it was thought would probably take Place in each of the states in the Union.

Our sentiments with Respect to the first Query, contained in the Letter, are expressed above, and should each state adopt the Plan above mentioned it is probable the Evil mentioned in the 2 Query may be avoided, and as to the Application of particular Lodges to foreign G. Lodges as they can only be commissioned as provincial G. Lodges it appears improbable that the measure will in any Instance be adopted.

With respect to the fourth Query, It is the Opinion of this G. L. that the most eligible plan for the above purpose is to hold a

¹ You will observe where the book of Constitutions says in the absence of the G^d Master the Deputy shall fill the Chair, it speaks of a principal G^d Lodge not of a Provincial G. L.

Chapter or Convention of deputies from the several G. L.s at least once in three years in some central State, where certain Articles may be agreed upon for the regulation of all the L.s in the different States which will prevent the interference of one G. L.—with another. One of these Articles may be that should any Lodge in the United States apply & obtain a Commission for holding a G. L. from any foreign power, Such Masons shall not have the benefit of visiting or be received in any Lodge in the Union. One thing we heartily wish which is, that all the Modern G. L. may be invited to come into the Union & that there may be but one G. L. in each state. There is a Mod. G. L. held in this Town whereof John Rowe Esq. is G. M. should you agree with us in this sentiment, we wish that a similar circular letter may be sent them as was sent us.

The within Report agreed to by

JOHN WARREN,
PAUL REVERE,
JOHN JUTAU.

Voted that the Grand Lodge be Adjourned to this place next Thursday Evening, at Six OClock & that a Committee be Appointed Consisting of Three Brethren, viz: Revere, Warren, Dexter—to wait on the Wfh Master & Acquaint him that the Lodge was Adjourned as the above & desire that he would use Some Effectual Measures to have a more General Attendance.

LETTERS AND DOCUMENTS FROM THE ARCHIVES OF THE LODGE OF SAINT ANDREW, BOSTON.

[Fragment of a Letter.]

Searched into the Minutes of the Grand Lodge in consequence thereof, Find, That a Petition from Some operative Bretheren at Boston in New England (Recommended by the R^t worshipfull M^r. & Wardens of the Lodge of Falkirk) was laid before the Grand Lodge of Scotland the 30th Novem^r last, and a Charter of Constitution and New Erection directed to be made out for them. But a difficulty arose what name to give that Lodge, as these Bretheren have omitted to mention in the said Petition, what name their Lodge should be called in the charter to be made out for them. And Since Receiving your Letter I laid the Same before a Committee of the Grand Lodge and asked their opinion what name the said Lodge should be called in the Charter so to be granted, who desired it might be called Saint Andrews Lodge in Boston. So

if you approve of that name the charter shall be directly made out upon your Transmitting the Fees which is about £3.13.6 Ster. I am with regard

Wee presume the Liberty of Subscribing our Selves your Lordship Most Obedient Most Dutyfull and affectionate Brothers.

We have hereunto done Our Utmost Endeav^r to Cultivate Brotherly Love and Union with the Other Lodges of This town, but hitherto have been Unsuccesfull in y^e past (the Masters, Wardens &^c of Their Lodges presuming first our Charter Insufficient in this Place. and second are dubious If members of Scotch lodges in Great Brittain are Admitted as Visitors (their Methods of Practice not being one and the same) which With all humble submission. we presume such an Infraction of the Constitution and real Intentions of Masonry. as must be the means of lessning y^e whole) however Although we are not Admitted as Visitors in their lodges our lodge is Open for all Visiting Brothers, whose behav^r is within the Compass of our By Laws. a Third Reason of our not being Admitted as Visiting Brothers is That the Right worshipfull Grand Master Jerimiah Gridley Esq^r Looks upon our Charter as an Infringement of his province as Grand Master in North America, Notwithstand wee paid him that Respect to Acquaint him of the Resepition of our Charter, which he Saw. read and Approved of.

Right Worshipful MASTER, Worshipful WARDENS and Worthy Brethren of the Lodge of S^r ANDREW in Boston.

Worthy and Dear Brethren,

Your Letter and an Address from a Committie of your Lodge dated 17th February 1761 and Directed to the Right Honourable Lord Aberdour Were Received by his Lordship, and by him transmitted to the Grand Lodge of Scotland, Who having Confer'd on the Honourable Office of Grand Master of Scotland, I with great

Pleasure Embrace this Opportunity of Writing to you my Dear Brethren, to Assure you of my Earnest & Hearty Wishes for your Prosperity and for the Flourishing of your Lodge.

I very much Approve of Your Endeavours to Cultivate Union and Brotherly Love with the Other Lodges in Boston, Your Behaviour in this is worthy of Masons and Agreeable to the Principles of Our Society, But it Surprises me greatly (that instead of Meeting with an Equal return of Love and Friendship from the other Lodges) to hear that they refuse to Admit you as visitors for reasons altogether Groundless. If they Doubt the Validity of your Charter they should have Assigned some Reasons for their Doubts, it is the first time I ever heard of any Charter Granted by the Grand Master and Grand Lodge of Scotland being either Doubted or Disputed. They are likewise Dubious if Scotch Masons are received as Visitors in English Lodges (Their methods of Practice not being the Same), there is indeed some small difference in Some points, But that never hinders a free Communication & Friendly Intercourse betwixt the Scotch and English Lodges, who Receive Visitors from each other with the greatest Kindness and Friendship, there is no other Contention but who Shall Exceed in Offices of Benevolence and Hospitality always considering that we are All Members of the Holy Lodge of S^t John whose precepts strongly recommend Harmony, Friendship and Brotherly Love, & think that it would be Inverting the Intention of Our Society (To Quarrel about Points and different Methods of Practice) making it productive of Discord & Strife.

Your Brethren of the Lodges in Boston must Know that the Same Person has Successively been Chosen Grand Master of Scotland and Grand Master of England. The Right Honourable Lord Aberdour was chosen Grand Master of England immediately after he had left the Grand Masters Chair in Scotland, this Should remove all Doubts from Your Brethren in Boston and show them how little the differences in some points of practice are regarded by the Lodges in Great Britain.

The last Reason Assigned by the Lodges in Boston for their Unkind behaviour to you, is, That the Right Worshipful Jeremy Gridley Esquire, Looks upon your Charter as an Enfringement of his Province as Grand Master of North America. It is my Opinion that there may be some mistake in this; You say that he saw, read, and Approved of your Charter. If he had any Objections he certainly would have Signified them to you when you Show'd him Your Charter, I am Confident, my Right Worshipful Brother Jeremiah Gridley Esq^r knows and observes the Principles of Masonry Better than to take Offence where there is not the Smallest reason given for it. I do not doubt nor Dispute his Authority as Grand Master of all the Lodges in North America who Acknowledge the Authority and Hold of the Grand Lodge of England, as he certainly has a Warrant and Commission from the Grand Master of England to that Effect. The Grand Master and Grand Lodge of

Scotland have Also granted Warrant and Commission to our Right Worshipful Brother Collonel John Young Esquire, Constituting and Appointing him Provincial Grand Master of all the Lodges in North America who Acknowledge the Authority & hold of the Grand Lodge of Scotland; these Commissions when rightly understood can never Clash or Interfere with each other.

I must observe that you have made a Mistake in your Address to the Lord Aberdour, in Giving him the Title of Grand Master of Great Britain, He Granted your Charter as Grand Master of Scotland, He was afterwards Elected Grand Master of England, but Never had any right to the Title of Grand Master of Great Britain.

Your Mistake in this may (perhaps) have given Offence to my right Worshipful Brother Jeremiah Gridley Esquire, if so, it is very proper that you Should Acknowledge your being Mistaken in this particular.

I hope that all Misunderstandings and differences betwixt you & the Other Lodges in Boston will Soon be entirely removed, But however that may be, I earnestly recommend to you My Dear Brethren, a Constant Perseverance in the most Strenuous Endeavours to Cultivate Friendship, Brotherly Love and Harmony with all your Brethren, and never to allow the Misbehaviour of Others to Deprive you of the Agreeable Reflection that you have done your duty as Masons and Members of the Holy Lodge of S^t John, and Used every Effort to Preserve Harmony, Love and Friendship the Most Precious Jewels, and most Shineing Ornaments of Our Society.

The prosperity of Your Lodge will always be Agreeable to the Grand Lodge of Scotland, and particularly to

Right Worshipful, and Worthy Brethren

Wardens & Brethren of The Grand Lodge of Scotland,	

A Committee of our Lodge did themselves the Honour, to write you 29th of Octo^r. Last to Advise that we had appointed our Respected Brother Alex McDougall Esq^r. as our proxy to Represent us in the Grand Lodge of Scotland in the Room of B^r James Logan, the distance of whose Situation from Edinburgh Renders it inconvenient for him to Attend the Grand Lodge at times when his presence might be Necessary. we hope you will approve of this Step and that our Bro^r Dougall will be kind enough to accept the office.

We have since Received the Earl of Elgin & Kincardins kind & verry affectionate Letter of the 4th June [See pp. 90 and 444 of this volume.] signifying his Lordship's approbation of our behaviour to the Other Lodges In Boston holding of the Grand Lodge of England who still Continue their unkind & unbrotherly Treatment, Tho: (as his Lordship very justly observes For Reasons altogether Groundless) but let their behaviour to us be as it will, we have & shall still Continue to Treat them like Masons. That a Consciusness of our upright intention towards them, may support us under all their ill usage we Shall always Endeavour to follow that inimitable precept of our great patron, The Holy S^t John who has said, "Little Children Love one Another."

The mistake in our address to the Lord Aberdour was owing to our Brother Logan, who gave him the Tittle of Grand Mast^r of Great Britain in a Letter to us from which we took it, if there is any offence given to the Grand Lodge on that Account we most Sincerely ask their pardon & beg they would impute it (not to a wilfull Error) but to our want of knowing better.

When we wrote the Grand Lodge Last, we did not know there was a Grand Master Appointed for N^o. America from Scotland, we then desired leave to Constitute other Lodges, upon the Continent who might be desirous of holding from Scotland, but as you were kind enough to inform us of Col^o. John Young being appointed G. M. we beg Leave to Recall what we have wrote upon that head.

We have Sent inclosed M^r. James Anderson Receipt for Seven Guineas dated Feb^r 3. 1763 — being 2/6 for each Member who

has been Made in our Lodge the Overplus be pleas'd to apply as a Small acknowledgment to the General Fund of Charity, our abilities are Much inferiour to our inclinations otherwise the present would have been Larger, but you may be Assured we Shall by every Oppertunity take care to acknowledge the Honour of being Connected with the Grand Lodge of Scotland. Inclosed a Nother List of all those who have bin made in our Lodge Since we had the Charter & hope it will be Agreeable.

We would beg Leave to Acquaint the Grand Lodge that there [is] a Number of Persons in this Town (a List of whom you have inclosed) who were made by Some Strolling Masons in an irregular & Clandestin Manner, that are about to Apply to the Grand Lodge of Scotland for a deputation to hold a Lodge in this Town. if Such a Deputation should be granted to those persons it would be attended with the utmost ill Consequences to Masonry & will inevitably bring the Craft into the greatest Disgrace imaginable for the following Reasons, which we in the Most humble Manner offer to the Consideration. first. Those parsons were none of them (Excepting M^r Smellige) made in a Regular Lodge, which we apprehend has always been a Sufficient Reason for Refusing not only to Constitute Such Parsons but even to admit them into a Regular Lodge as Visitors: They are some of them People of the greatest ill Fame. Most of them are So very poore that their only Subsistance is from the Geuerosity of their Friends & Consequently they must be very improper Persons to Erect & Support the C^t. of a New Lodge.

The foregoing Reasons will we Trust be Sufficient to the Grand Lodge & as the Credit of Masoury in General & that of the Grand Lodge of Scotland in perticular is at Stake we beg they may not have a Deputation to hold a Lodge in this place. we have one More Objection to offer which is, That those very Parsons who now apply for a deputation were Rejected by the Lodge in Ireland to whom they applied Some time siuce.

We shall be always greatly oblig'd to the Grand Lodge for any instructions they may at any Time Honour us with. and we Return our Thanks in a Particular Manner to the R^t Hon^{ble} & R^t Wpfull The Earl of Elgin & Kincardin for the Great Honour he has done us in writing to us.

The assurance his Lordship Gives us, of his affectionate Regard and the promise of a Continuance of his favour, give us a very pleasing prospect & will for ever fill our Minds with the deepest Gratitude to his Lordship.

We have nothing further to Offer at Present but that we are with all due Respect

Your Obedient & Affectionate Brethren & Servants

Right Hon^{ble} & Right Worshipfull Brother

A general Joy was defused through this Lodge upon the Receipt of your Lordships kind and Brotherly Letter the Generous Concern which you express for our prosperity could not fail of making the most Lasting Impressions of Gratitude on every heart, but in proportion to our former Satisfaction, is our present Anxiety. this Lodge have Several Times done themselves the honour of writing to the Grand Lodge or Scotland; in one of our Letters dated Feb^r 5763 we gave an Account of the then State of our Lodge and Inclosed M^r James Andersons, (of Boston Merch^t) Receipt for Seven Guineas which was to be paid to the Grand Lodge, but as we have not hitherto had any answer we Cannot determine whether the money was ever Received or not by the Grand Lodge. we also mentioned the Choice which this Lodge had made of our brother Alexander Dougall Esq^r to Represent us in the Grand Lodge of Scotland in the Room of our Brother James Logan. but not a Single Line has been received by us from any Person in Scotland since your Lordships Letter above Mentioned.

We hope that this seeming disregard is not occasioned by any Supposed offence in us. it would give Great pleasure to us to be informed whether the money we Sent was delivered to the Grand Lodge or not; if it was not we Shall take Measures for its Speedy payment, and if our worthy Brother Alexander Dougall Esq^r. has not Complied with our request of Representing us in the Grand Lodge, (if your Lordship will pardon our Freedom and the favour we ask is not too great for your Lordship to Grant) we beg you would be pleased to propose to us some person of Character on whom we may depend for the proper Management of our affairs in the Grand Lodge of Scotland. We now desire Liberty to Acquaint your Lordship that the Members of this Lodge enjoy the happiness of being in perfect harmony with each other and are the Most numerous Lodge in this part of the Contenent, and we think we may without Arrogance assure your Lordship that the Behaviour of this Lodge is Strictly regulated by the beneficent principles of Masonry, we have allso done whatever we thought Consistent with our Connections with the Grand Lodge of Scotland to promote a friendly intercourse and brotherly Communication with the Lodges here under the English Jurisdiction. we Shall soon be able to Transmit a perticular Account of the Success of our Endeavours in the mean Time it may be relied on that we Shall never in any part of our Conduct forgitt the honour of the Grand Lodge of Scotland but Shall do every Thing in our power to Secure the Ap- probation of your Lordship and of the Grand Lodge of Scotland. we are with the Greatest Respect and warmest affections your Lordship Most Humble Servents and Loving Brothers

Right Worshipfull Brother

A Letter Subscribed by a Committee of the Lodge at Boston, Addressed to Our Right Honourable Brother the Earl of Elgin and Kincardine late Grand Master and dated 13 February 1766 was Received by his Lordship and Communicated to the present Grand Lodge.

The former Letter from the same Lodge dated February 1763 was also Received Inclosing M^r. Andersons Receipt for the Seven Guineas, which was regularly paid by him and Stated in the Grand Lodge Books to your Credite And since that period Our Brother M^cDougal has regularly appeared as your Proxy or Representative in the Grand Lodge.

Let it not be thought D^r Brother that the Grand Lodge of Scotland are Capable of Neglecting any Brother, far less, Such a Respectable body of Bretheren as we have reason to believe the Lodge at Boston is Composed of, or that we disregard any instance of filial duty offered by you. We are happy in your prosperity, we rejoice in your Success, We highly approve of your Zeal to Cultivate and promote the true principles of Masonry, And particularly in Mantaining a friendly intercourse with the regular Lodges whether under the English, Irish or other foreign Constitutions, so far as you find them worthy of the Character of Masons, and Conformable to the Invariable Antient rites known among the Brotherhood. And nothing will give us a higher Satisfaction than to hear from time to time your Success in all these.

The only Reason, then D^r Brother for our not writing Sooner was that in all the Letters lately Received either by the Grand Lodge or our Brother M^cDougal, you had omitted to give us a proper address in Civil Life for any one Brother to whom we could direct our Answer. And we thought it would have looked strange in us to Address any of the names of the Committee Barely as a Brother Mason, or as Master or Member of such a Lodge, without adding his designation in Common Life. But as this difficulty still Continues we are under a necessity of Addressing to the Master of Your Lodge in General, and least any Misfortune should happen we have sent two Duplicates of this, one by the Ship ——— And the other by the Mail from London, which, having no private hand at present are the only oppertunitys we have of Corresponding with you, but if at any time you can point us out a more Certain or Easier Method we shall gladly Embrace the oppertunity.

Inclosed you have the List of your Members preceeding 22^d February 1763 who are all regularly Entered in the Books of the Grand Lodge with the Grand Treasurers Receipt for the Seven Guineas Sent by you, but you will observe that your List Consists of Eighty one Members, Of which allowing seven named in the Charter to be free which is the Common usage of the Grand Lodge there Remains Seventy four private Members, for the Entries of all whom you were debtors at the rate of two shillings and sixpence Each which Amonnts to £9.5. Of which we have Received £7.7. — So that you are Still debtors for £1.18. to the Grand Lodge for your Members preceeding the aforesaid 22^d February 1763, besides what you have Entered since that time which we Expect you will faithfully transmit with the List by first proper oppertunity in order that they may be recorded. At the Same time we must acquaint you that there is a perquisite of five shillings due to the Grand Clerk for Recording Every List of Brethren from distant Lodges which you will also Transmit with the other dues of two Shillings and six-pence for Each Member, both for the Last List and all Succeeding. To the R^t Hon^{ble} & R^t Worshipful, G^d Master, & Worshipful Wardens & Brethren of the G^d Lodge of Scotland.

BOSTON Jan^y 11. 5769.

R^t Wpfull &c.

We wrote you in July 1766 at which time we gave you an Account of our proceedings with the Modern G. L. in this place: since which we have receivd your esteemed favour without date, & are much oblig'd to you for the favourable sentiments you have therein express'd.

We are very sorry that for want of a proper distinction in civil life we have been depriv'd of your favours. To remedy this inconvenience we beg that all Letters in future may be directed to W. Sam Barrett, Sail Maker in Boston, & you may depend upon a safe conveyance (casualties excepted) and all Letters address'd to him we beg may be sent by some Vessell bound immediately to this port, or if no such opp^y presents, the Mail from London to N. York would be a sure conveyance.

We are much oblig'd to you for reminding us of the deficiency in the Money remitted you; the mistake arose from an apprehension that we were only to pay for such Members as were made in this Lodge to Feb^y 1763.

We herewith send you a List from that period of fifty-five members which at 2/6 each amounts to six pounds, seventeen Shillings and six Pence, which with the former deficiency of One Pound, Eighteen Shillings & the five Shillings for each List due to the G. Clerk amounting in the whole to Nine Pounds five Shillings & six Pence, we send you by _____ & inclose his Receipt for the same & beg it may be enter'd to our Credit on the Books of the Grand Lodge.

In conjunction with several other ancient Lodges in this place we have by this opp^y forwarded to the G. L. of Scotland a petition for the appointment of a G. M. here— the Arguments made use of in that petition we apprehend render it needless for us to say anything further on the Subject. we would only add that our present situation renders such an appointment absolutely necessary.

We shall at all times think ourselves happy in keeping up a correspond^{ce} with the G. Lodge of Scotland, & shall ever esteem any advice they may be pleas'd to give us, as a Singular favour. Our Letter in Jun^e 1766 we fear has miscarried as we have never yet

been honour'd with an Answer: we beg you would take the earliest opportunity to acknowledge the Receipt of this.

We heartily wish you success in all your undertakings & ardently pray for the Welfare & prosperity of the Craft in General & the G. L. of Scotland in particular & are wth greatest esteem & Respect.

HUMBLY SHEWS,

That your Petitioners, taking into consideration, the present state of Ancient Masonry in America and apprehending that it may greatly promote the Craft, to have a Grand Lodge of Ancient Masons, Established in this Part of the World; have Unanimously agreed to address the Grand Lodge of Scotland, requesting the appointment of a Provincial Grand Master, & Grand Wardens, to Reside in Boston New England. We do therefore, hereby humbly pray the Grand Lodge, to constitute, and appoint a Grand Master, & Wardens, with the Authority and Privileges Usually deputed to Provincial Grand Masters for the Reasons Following.

1st It is humbly conceiv'd that such an appointment would render Ancient Masonry more respectable in this place, where there is a Provincial Grand Lodge of Modern Masons.

2d As there will arise in the best Regulated Societies certain Disputes & Debates, which require the interposition of some superior Authority, and as there are four Lodges of Ancient Masons in this Town, it is thott Expedient that there be a Grand Lodge, to whose Decision all Ancient Masons would willingly submit any Differences, which from the weakness of human Nature may possibly at any Time hereafter take place.

Lastly & principally, —Your petitioners are fully convinc'd, that if there was in America an Authority to Constitute and app^t. Lodges of Ancient Masons, Great numbers would speedily apply for Deputations for erecting of Lodges in different Parts of this Continent: some in this Province have signified their Inclination so to do, but by Reason of the Great Difficulty attending an imme-

diate Application to the Grand Lodge of Scotland have been oblig'd to take Deputations from the Modern G^d Master* here; & many others are impatiently waiting the Success of this Petition.

Your Petitioners therefore humbly submit the foregoing Reasons to your wise Consideration, and cannot but hope for a Favourable Decision: And as it is impossible for the Grand Lodge of Scotland, to be acquainted with the Characters of the Brethren residing in Boston, your Petitioners further pray that if in your Superior Wisdom, you should determine to appoint such a G^d Lodge, you would be pleas'd to appoint our Worshipful Brother Joseph Warren, phisⁿ The present Master of S^t Andrew's Lodge to be Provincial G^d Master, Brother Jeremiah French Esq^r to be Senior Grand Warden, & Brother Ponsonby Molesworth Esq^r to be Jun^r G^d Warden both Cap^{ts} in the 29th Reg^t & members of Lodge 322. The several Lodges having at a General Communication unanimously agreed to recommend them to your notice, as the most proper persons to sustain those Offices.

And your petitioners in Duty bound shall ever pray, &c.

Bretheren,

We the Subscribers being chosen a Committee in behalf of S^t Andrews Lodge, to answer a Letter rec'd the 12 Ins^t by the hands of the G^d Sec^y in which Letter, we are inform'd of your intention of celebrating the Feast of S^t John, and the Installing your Grand Officers; likewise a declaration in which appears you have assumed an Independency of all Lodges in the Universe.

With all due respect, we won'd observe to you, that an Evening was appointed to take said Letter and declaration, into consideration, and after debating upon them, the following Question was put;

“Whether this Lodge acknowledge the Massachusetts Grand Lodge, Independent of the Grand Lodge of Scotland, and all other Grand Lodges in the Universe?”

The Lodge cou'd not consent to the declaration, supposing it to be inconsistent with the principles of Masonry, necessary to be observ'd for the good of the Craft, amidst all the Variety of circumstances incident to human affairs.

There were present at this meeting of the Lodge 49 Members, and Voted as follows, Yeas, 19; Nays, 30; total 49.

BOSTON, May 23^d, 1785.

Brethren,

We have receiv'd your letter inclosing the various resolutions said to be made in a convention of several Lodges held at the Bunch of Grapes tavern in Boston, March 10th 1785. In answer thereto, We beg leave to declare that it now is, and ever has been the warmest wish of our hearts and the invariable rule of our practice, to preserve inviolate the truest harmony and friendship with all men, especially such as are of the Craft.

That in our opinion the surest and the only way of effecting this grand design of Masonry, is to preserve inviolate those duties and obligations which we owe to all men, more particularly such as we are bound to perform by the Masonic institutions. It may not be necessary to inform some, tho' it may be others, that we convene and assemble as a true and regular lodge, by virtue of a charter from the Grand Lodge of Scotland dated Nov^r 30th 1756, under this charter alone we hold, and herein are we bound by obligations which we deem sacred—these obligations once broken, this faith once destroy'd, we should conceive ourselves unworthy of confidence either as men or masons.

Having thus stated to you our relation to the Grand Lodge of Scotland, and our Sentiments of that relation, we conceive that we have offer'd sufficient reason for our declining to accede to the proposal made in your second resolution, and we now do for these reasons most explicitly, refuse to meet the Convention to be held at Charlestown on the twenty-sixth day of May instant. We anxiously wish to preserve concord and harmony with all men, and as we fear any future discussion of this matter may be productive of disputes, and uneasiness, we ask your acceptance of the foregoing as a final answer to every proposal of a similar kind, and we take this opportunity to inform you, that we shall not conceive ourselves justified in attending to any future communications on this subject.

In the Name and in behalf of S^t Andrews Lodge,

JAMES CARTER, Master

ELISHA SIGOURNEY, S.W.

To Paul Revere, Esq^r., & others in Convention at Charlestown.

[Note from Mrs. John Rowe to Grand Lodge.]

M^{rs} Rowe & M^r John Rowe [nephew] present their most respectful Compliments to M^r Cutler & the other Officers & Brethren of the Grand Lodge & beg them to accept their most grateful acknowledgments for their respect shewn at the interment of M^r Rowe their late Grand Master & to assure them they retain a grateful sense of Their attention to his Memory. And as M^{rs} & M^r Rowe have not

the pleasure of an acquaintance with the Masters & Officers of the other Lodges that attended at the funeral they beg the favour of M^r Cutler that he will be so kind as to communicate to them in their names their particular thanks for the polite & respectful Behaviour shewn by the Brethren on this mournful occasion; & they request that M^r Cutler will do this in the manner he thinks most proper.

[Communication from the Grand Lodge of Massachusetts to Saint Andrews Lodge April 2, 1792.]

To the *Right Worshipful Master*, the *Officers & Members* of *Saint Andrews Lodge* of Free & accepted Masons, N^o 82 of the Registry of Scotland. Respected Brethren,

We think it our incumbent Duty to communicate *officially*, that a compleat Union of the two Grand Lodges formerly held in this State is happily effected; & that "*The Grand Lodge of the most ancient & Honorable Society of Free & accep'ed Masons for the Commonwealth of Massachusetts*", is compleatly organized.

The sole Objects of *this Coalition*, are to obliterate as far as possible all Distinctions heretofore made, to provide for a Regular Intercourse of the Brethren, & by all other Means to promote the Interests of our Ancient Fraternity. And happy we are that every Transaction of this important era, has been marked with Candour, Unanimity & a strict Adherence to the genuine Principles of the Institution.

All lodges heretofore established, are to retain their original Charters, (the Dates, & the Grand Lodges from whom they were issued being recorded by the Grand Secretary) & a due Representation, with the Payment of equal Quarterly Assessments, entitle such Lodges to a regular Connection with this Grand Lodge; To take Precedency according to seniority, And All former Grand Lodge Records, & other Masonic Papers are safely deposited in our Archives.

Quarterly Communications are to be holden. on the Evenings of the second Mondays in December, March, June & September. The Grand Master, & Grand Wardens are to be annually elected, at the Meeting in December, two thirds of the Voters present make a choice, & no Brother is eligible for these offices more than three years successively. The Grand Treasurer, & Secretary are also

elected Annually by the Grand Lodge; And the other Grand Officers are appointed by the Grand Master.

A Regular Code of Laws (in which the Ancient landmarks are sacredly preserved) is carefully compiled, & a Book of Constitutions, containing our History, Charges, Regulations &c collected from old Records & faithful Traditions, being now in the Press will soon be published under the Authority of the Grand Lodge.

Having stated these Particulars, we beg Leave to remark, that the Late deranged State of Masonry requires every Exertion for its revival & Support; And we doubt not but all worthy Brethren will cheerfully lend their Aid, in such way as they think best to promote so laudable a Design. We do not on this Occasion urge any Sentiments to Influence your Conduct & we tender our Warmest Wishes for your Prosperity & Happiness. The Masonic Institution is not the Offspring of Discord or Usurpation, but is founded on the Broad Basis of universal Philanthropy; And tho' we may differ in Circumstances not essential, we are still sacredly bound to cherish its benevolent Designs, by a Mutual Intercourse of Affection & Esteem; *For "the liberal Soul shall be made fat: & he that Watereth shall be watered also himself."*

Read the same Day in the Upper House & Concurred.

By Order Tho^s WARD, Secry.

NEWPORT, June 21st 5759.

R^t Worshipfull Sir

The inclosed Act of our General Assembly will open to you a design, set on foot by Our Society, in this Town for Building a

Lodge; And at the same time shew you that the Plan is approv'd by the Government, who have granted us a Lottery for compleating the work.

A Chief motive with the General Assembly for granting so great a fav^r to the Masons, was the Assurance we gave them, that the chief of the Tickets would be disposed of by and among our Fraternity in the neighbouring Colonies. And as we shall be very attentive, to fulfil our engagements with the Government, We have taken the liberty to address you upon this Occasion, begging the favour of your Influence, among the Brethren, of the Several Lodges under your direction: And to ask your kind Assistance, with theirs in disposing of our Tickets: Not in the least doubting but you will chearfully lend a hand to a work calculated to promote the Honor of Masonry And to further the charitable Ends, which we have in View.

We shall spare mentioning any other motives to engage your Assistance in this matter, the Spirit of Masonry alone will dictate more than we can say.

We have only to tender a Return of all the good Offices, you may render us when Occasion shall offer.

By Order of the Lodge.

I am with due Submission, & much sincerity,

R^t Wors: Sir

Your affectionate Brother

EARLY MASONIC PROCESSIONS IN BOSTON.

Boston, June 27th [1737.]

Friday last being the Feast of St John the Baptist, the annual meeting of the Free and Accepted Masons, they accordingly met. The Right Worshipful Mr. Robert Thomlinson, Grand Master, nominated and appointed his Grand officers for the next year ensuing, viz: Mr. Hugh M^cDaniel, Deputy Grand Master; Mr. Thomas Moffat (Doctor of Medicine), Senior Grand Warden; Mr. John Osborne, Junior Grand Warden; Mr. Benjamin Hallowell, Grand Treasurer; Mr. Francis Beteilhe, Grand Secretary. After which the Society attended the Grand Master in procession to his Excellency Governor Belcher's, and from thence the Governor was attended by the Grand Master and the Brotherhood to the Royal Exchange Tavern in King Street, where they had an elegant entertainment. *It being the first procession in America they appeared in the proper badges of their Order, some gold and some silver.* The procession was closed by the Grand Master. [We are indebted to Bro. W. J. Hughan for the above extract from the *St. James' Evening Post*, London, August 20. 1737.]

[The following poem appeared in the "American Apollo," a magazine printed in Boston, as the editor says in his first number, upon the first printing press manufactured in that city.]

MESSRS. PRINTERS,

The following historical scrap, written by the late JOSEPH GREEN, Esq., claims a place in the Apollo. J. M.

We insert this, by particular desire, according to the original form.

A true and exact account of the celebration of the Festival of St. John the Baptist, by the Ancient and Honourable Society of Free and Accepted Masons, at Boston in New England, on June the 26th, 1739, taken from the Boston Gazette, and rendered into Metre, that children may commit it to and retain it in their memory.

"*They might distinguish different noise
Of horns, and pans, and dogs, and boys,
And kettle drums whose sullen dub,
Sounds like the hooping of a tub.*" — HUDIBRAS.

In Roman callendars we find,
Saint John the Baptist's feast assign'd,
To June the twenty-fourth, and he,
(For so all Masons do agree)
A famous Lodge in days of old,
In Jordan's wilderness did hold.
For this as legends us acquaint,
They made a *Patron*, of the Saint;
Right worshipful Bob THOMLINSON,
Having *this* duly thought upon;
The Lodge on Tuesday last did call,
To celebrate the festival;
For June the twenty-fourth was Sunday,
And Brother *BELCHER fasts on Monday;
So for the sake of eating dinner,
He *trick'd* the Saint to *please* the Sinner,
The Brethren, soon as this was known,
All met to walk about the town.

First Brother †WAGHORN was their choice,
Waghorn of sounding *fame* and *voice*;
At three, they to his house repair,
And having staid a little there,

* *His Excellency Jonathan Belcher, Esq., Governour of his Majesty's Province of Massachusetts Bay.*

† *Mr. Waghorn, Grand Sword Bearer.*

Proceeded onwards through the street,
 Unto his Excellency's seat ;
 For as *this* Waghorn was a Brother
 His Excellency was *another*.
 Unlucky *name* it grieves full sore,
 Waghorn and Belcher — but no more.
 Here, having drank and giv'n the *sign*,
 By which he was oblig'd to join,
 From hence in *leather apron* drest
 With *tinsel ribbons* on their breast,
 In pompous order march'd the *train*,
 First *two*, then *three*, then *two* again ;
 As thro' the street they pass'd along,
 All *kinds* of *music* led the throng ;
 Trumpets and kettle drums were there,
 And *horns too in the front* appear.
 Thus they went on thro' various noises
 To hear them *fiddle* at DEBLOIS's —
 And thence came thro' another street,
 To Brother *LUKE's to drink and eat ;
 For Luke was ordered to prepare,
 Plenty of every dainty fare ;
 Tongues, hams, and lambs, green peas and chickens,
 So that, in short, 'twas "*pretty pickings.*"
 Girls left their needle, Boys their book,
 And crowded in the street to look ;
 And if from *laughing* we guess right,
 They were much pleased with the sight.
 All this by land — now follows after
 The gallant show, upon the water.
 The ship, that HOLLOWELL is named,
 From HOLLOWELL, for building famed ;
 Of which their Brother Alexander
 French was part owner and Commander ;
 Soon as appeared the Eastern Beam
 This ship, haul'd off into the stream,
 Red baize was tacked on the top,
 And all the colours hoisted up,
 And on the mizzen peak was spread,
 A *leathern apron*, lin'd with *red*.
 The men on board all day were glad,
 And drank and smoked like any mad.
 And from her sides three times did ring,
 Great guns as loud as *any thing*,
 But at the setting of the sun
 Precisely, ceas'd the noise of gun,
 All ornaments were taken down,
 Jack, ensign, pendant and APRON.

* Luke Vardy, Innholder.

FOR

A WINTER'S EVENING,

BEING A FULL AND TRUE ACCOUNT

OF A VERY

Strange and Wonderful Sight

Seen in BOSTON on the Twenty-seventh of December, 1749,

AT NOON-DAY.

The Truth of which can be attested by a GREAT NUMBER of'

People, who actually saw the same

With their own eyes.

O MUSE renown'd for story-telling,
 Fair CLIO, leave thy airy dwelling,
 Now while the streams like marble stand,
 Held fast by Winter's icy hand ;
 Now while the hills are cloth'd in snow ;
 Now while the keen north-west winds blow ;
 From the bleak fields and chilling air
 Unto the warmer hearth repair ;
 Where friends in chearful circle met
 In social conversation sit.
 Come, *Goddess*, and our ears regale
 With a diverting Christmas tale.
 O come, and in thy verse declare
 Who were the men, and what they were,
 And what their names, and what their fame,
 And what the cause for which they came
 To house of God from house of ale,
 And how the parson told his tale :
 How they return'd in manner odd,
 To house of ale from house of God.

FREE MASONS, as the story goes,
 Have two saints for their patrons chose :
 And both SAINT JOHNS, one the *Baptist*,
 The other the *Evangelist*.

The Baptist had a *Lodge* which stood,
Of old, by JORDAN'S ancient flood.
But for what secret cause the other
Has been adopted for a *brother*,
They cannot and I will not say,
Nec scire fas est omnia.

The Masons by procession
Having already honour'd one,
(Thou, to perpetuate their glory,
CLIO, didst then relate the story,)
To show the world they mean fair play,
And that each saint should have his day,
Now order store of belly-timber
'Gainst twenty-seventh of *December*.
For that's the day of Saint John's feast,
Fix'd by the holy *Roman* priest.
They then in mood religious chose
Their *brother of the roll and rose* *
The ceremony to commence :
He from the sacred eminence
Must first explain, and then apply
The duties of FREE MASONRY.

At length in scarlet apron drest,
Forth rush'd the morning of the feast ;
And now the bells in steeple play,
Hark, ding, dong, bells they chime away ;
Until, with solemn toll and steady,
The great bell tells — the parson's ready.

Masons at church !! strange auditory !!
And yet we have as strange in story.
For saints, as history attests,
Have preach'd to fishes, birds and beasts ;
Yea stones so hard, tho' strange, 'tis true,
Have sometimes been their hearers too. †
So good Saint FRANCIS, man of grace,
Himself preach'd to the *braying* race ;
And further, as the story passes,
Address'd them thus — *my brother asses*. ‡
Just so old BRITISH WEREBURGA,
As ecclesiastic writers say, §
Harranged the *geese* both far and wide,
Just so the *geese* were edify'd.

* Rev. Mr. Brockwell.

† *Vide Spec. Exemplor. Cæs. Dial. Lib. IV. cap. 98. Benevent de Vit. S. Franc. cap. 8. Capgr. Nov. legend. fol. 180. Anton. Chron. P. III. tit. 24, c. 2, § 5.*

‡ *Fratres Asini, orem vos ut sileatis, nec inturbetis Verbum Dei quod sitienti huic populo propono. Wadding, Annal. A 1213, N. 8.* We see he, too, had a *thirsty* audience.

§ *Frat. Cress. Hist. Eccles. Lib. XVII. c. 17.*

The crowds attending gaze around,
 And awful silence reigns profound,
 Till from the seat which he'd sat fast on
 Uprose and thus began the parson.

RIGHT WORSHIPFUL*, at whose command
 Obedient I in *Rostra* stand ;
 It proper is and fit to show
 Unto the crowds that gape below,
 Who wonder much, and well they may,
 What on th' occasion I can say ;
 Why in the church are met together,
 Especially in such cold weather,
 Such folk as never did appear
 So overfond of coming there.
 Know then, my friends, without more pother,
 That these are MASONS, I'm a BROTHER,
 MASONS, said I? — yes, MASONS FREE ;
 Their *deeds* and *tittle* both agree.
 While other sects fall out and fight
 About a trifling mode or rite,
 We firm by *Love* cemented stand,
 'Tis *Love* unites us heart and hand,
Love to a party not confin'd,
 A *Love* embracing all mankind,
 Both catholic and protestant,
 The *Scots* and eke *New England* saint ;
 Antonio's† followers, and those
 Who've CRISPIN‡ for their patron chose,
 And them, who to their idol goose
 Oft sacrifice the blood of louse.§

Those who with razor bright and keen,
 And careful hand, each morn are seen,
 Devoting to Saint NICHOLAS ||
 The manly honours of the face.
 Him too who works, ah ! cruel deed !
 The fatal, tough, MUSCOVIAN weed !
 And twists the suffocating string
 In which devoted wretches swing,
 (And O may gracious Heaven defend
 The *brethren* from dishonest end,)
 Whose cauldrons smoke with juice of Pine,
 An offering to Saint CATHARINE.¶
 O PINE salubrious ! from thy veins

* Thomas Oxnard, Esq.

† Antonio is the Patron of Sailors.

‡ Crispin, the Patron of Shoemakers.

§ It is conjectured that the Taylors are here meant.

|| St. Nicholas, the Patron of Barbers.

¶ St. Catharine, the Patroness of Rope-makers.

Distils the cure of human pains.
 Hail SACRED TREE! * to thee I owe
 This freedom from a world of woe,
 My heart tho' grateful, weak my strain,
 To show thy worth I strive in vain.
 Could THRACIAN ORPHEUS but impart
 His tuneful lyre and matchless art;
 And would propitious fates decree
 Old NESTOR's length of days to me,
 That lyre, that art, that length of days,
 I'd spend in singing forth thy praise.
 Still thou shall never want my blessing;—
 — But to return from thus digressing.

RHODE-ISLAND's differing, motley tribes,
 Far more than ALEC. ROSS describes,
 And light that's *new*, and light that's *old*,
 We in our friendly arms unfold,
 Free, generous and unconfin'd,
 To outward shape or inward mind.
 The high and low, the great and small,
James Perkins short, and *Aston* tall,
Johnson as bulky as a house
 And *Wethred* smaller than a louse,
 The grave and merry, dull and witty,
 The fair and brown, deform'd and pretty,
 We all agree, both wet and dry,
 From drunken *Luke* to sober *I*.

And *Hugh* — But hark, methinks I hear
 One shrewdly whispering in my ear:
 “ Pray, Parson, don't affirm but prove;
 “ Do they all meet and part in love?
 “ Quarrels oft-times don't they delight in,
 “ And now and then a little fighting?
 “ Did there not (for the SECRET's out)
 “ In the last LODGE arise a rout?
 “ *Mackenzey* with a fist of brass
 “ Laid *Trail's* nose level with his face,
 “ And scarcely had he let his hand go,
 “ When he receiv'd from *Trail* a d——d blow,
 “ Now, parson, when a nose is broken,
 “ Pray, is it friendly *sign* or *token*?”
 'Tis true, but trifling is th' objection,
 All general rules have an exception.
 Oft from themselves the best men vary,

*The Pine was sacred to the Goddess Cybele, who was very skilful in Physick and preserved men's lives. She no doubt drew her Remedies from this salutiferous Tree, and perhaps was not unacquainted with the Virtues of Tar-Water. Hence this Tree was held sacred to her by the Ancients.

Humanum enim est errare.

But what I've said, I'll say again,
And what I say I will maintain :
'Tis *Love*, pure *Love*, cements the whole,
Love — of the BOTTLE and the BOWL.

But 'tis high time to let you go
Where you had rather be, I know ;
And by proceeding I delay
The weightier business of the day ;
For eating *solid sense* affords,
Whilst nonsense lurks in many words.
Doubting does oft arise from thinking,
But truth is only found in drinking.
This having said the reverend vicar
Dismiss'd them to their food and liquor.

From church to STONE's they go to eat,
In order walking through the street ;
But no *Right Worshipful* was there,
PALLAS forbid him to appear ;
For, well foreseeing that the jobb
Would from all parts collect a mob,
He wisely catch'd a cold and staid
At home, at least, if not in bed.
So when the GREEKS 'gainst TROJANS went,
ACHILLES tarry'd in his tent ;
Asham'd he hides himself, nor draws
His conquering sword in harlot's cause.

See *Buck* before the apron'd throng
Marches with sword and book along ;
The stately ram, with courage bold,
So stalks before the fleecy fold,
And so the gander, on the brink
Of river, leads his geese to drink,
And so the geese descend from gab'ling
On the dry land, in stream to dab'ling.

Three with their white sticks next are seen,
One on each side and one between ;
Plump *Lewis** marches on the right,
Round as a hoop, as bottle tight,
With face full orb'd and rosy too ;
So ruddy CYNTHIA oft we view,
When she, from tipping eastern streams,
First throws about her evening beams.
'Tis he the *brethren* all admire,

* Lewis Turner.

Him for their steward they require.
 'Tis he they view with wondering eyes,
 'Tis he their utmost art defies ;
 For though with nicest skill they work all,
 None of them e'er could square his circle.

Next *Belcher* with *MacDaniel* passes ;
 Though *brothers*, how unlike their faces !
 So limners better represent
 By artful contrast what they paint.

Who's he comes next? 'Tis *Pue* by name,
Pue by his nose well known to fame ;
 This, when the generous juice recruits,
 Around a brighter radiance shoots.
 So, on some promontory's height,
 For NEPTUNE'S sons the signal light
 Shines fair, and fed by unctuous stream,
 Sends off to sea a livelier beam.

But see the crowds, with what amaze
 They on the 'pothecary * gaze !

* * * *
 * * * *
 * * * *
 * * * *

Aston, high rising o'er the rest,
 With his tall head and ample chest ;
 So towering stands the tree of JOVE,
 And proud o'erlooks the neighboring grove.

Where's honest Luke, † that cook from London,
 For without *Luke* the LODGE is undone.
 'Twas he who oft dispell'd their sadness,
 And fill'd the *Brethren's* hearts with gladness.
 For them his ample bowls o'erflow'd,
 His table groan'd beneath its load ;
 For them he stretched his utmost art ;
 Their honours grateful they impart.
Luke in return is made a *brother*,
 As *good* and *true* as any other ;
 And still, though broke with age and wine,
 Preserves the *token* and the *sign*.

But still I see a numerous train :
 Shall they, alas ! unsung remain ?
 Sage *Hallowel* of public soul,

* Doct. Aston.

† Luke Vardy.

And laughing *Frank*, * friend to the bowl,
 Meek *Rea*, half smother'd in the crowd,
 And *Rowe* who sings at church so loud,
 Tall *De la Rue*, of GALLIC City,
 Short *Box*, who trips along so pretty,
Bayard so truss, with gut well fed,
 Who to the hungry deals his bread,
 And twenty more crowd on my fancy,
 All *brothers* — and that's all you can say.

Whene'er for aiding nature frail,
 Poor bawd must follow the cart's-tail,
 As through fair LONDON's streets she goes,
 The mob, like fame, by moving grows ;
 They should'ring close, press, stink and shove
 Scarcely can the *procession* move.
 Just such a street-collected throng
 Guarded the *Brotherhood* along ;
 Just such the noise, just such the roar,
 Heard from behind and from before,
 'Till *lodg'd* at STONE's, nor more pursu'd,
 The mob with three huzzas conclude.

And now, withdrawn from public view,
 • What did the *brethren* say and do?
 Had I the force of STENROR's lungs,
 A voice of brass, a hundred tongues ;
 My tongues and voice and lungs would fail,
 Ere I had finish'd half my tale ;
 Ere I had told their names and nation,
 Their virtues, arts and occupation ;
 Or, in fit strains had half made known
 What words were spoke, what deeds were done.
 CLIO, 'tis thou alone canst show 'em,
 For thou'rt a goddess and must know 'em.

But now suppress thy further rhyme,
 And tell the rest another time.
 Once more, perhaps, the *apron'd train*
 Hereafter may invite thy strain ;
 Then, CLIO, with descendent wing,
 Shall downward fly again and sing.

* Frank Jobonnot.

[NOTE. *Aston* was an apothecary and grocer ; *Hallowel*, here referred to, was probably Captain Benjamin Hallowel, an active and influential Mason ; *John Rea*, was a ship-chandler, and kept in Butler's Row ; *John Rowe*, afterwards Grand Master, was a distinguished merchant and importer, and lived in Essex Street, and was the owner of Rowe's pasture, through which Rowe street once ran ; *Buck* was the Tyler of St. John's Grand Lodge.]

[The poet, who dealt so wittily, but so irreverently with the Craft in the two *poems* above set forth, was Joseph Green, who, during the greater part of a long life-time, maintained the reputation of being the foremost wit of his day. He was born in Boston in 1706, in the same year with Benjamin Franklin. He graduated at Harvard College, at the age of twenty. He at once engaged in business as a distiller and continued in mercantile pursuits for many years, thereby acquiring a large fortune. Without taking a prominent part in politics, his pen was always ready, when any opportunity for satire was offered, to improve it for the columns of the newspaper, or the more pretentious pamphlet. As Dr. Byles, a rival wit, said of him, "Ambition fired the 'stiller's pate." His effusions attracted much attention, and excited much merriment. One of the most ambitious of them was the "Winter Evening's Entertainment." Of course many of its statements are grossly extravagant, but it is characteristic of the time, and amusing — even at this day. We have been obliged to change one word and to omit four lines as not suited to "ears polite."

Green was a loyalist. He fled to England in 1775, where he passed the remainder of his life in retirement. He died in 1780. A humorous epitaph, written by one of his friends in 1743, indicates the popular estimate of his talents: —

Sister Viator, here lies one
Whose life was whim, whose soul was pun;
And if you go too near his hearse,
He'll joke you both in prose and verse.]

[The Massachusetts Centinel, May 16, 1787.]

Mr. Russell,

The following versification of a letter describing a late publick Spectacle, is as near the original as possible — if you think proper you may hand it to the publick, through the Centinel. Yours,
P. Q.

Dear Cousin,

I promised you, when I got to this monstrous great city,
I'd write you *every thing* new, *whimsical* and pretty;
And to convince you that I meant something more than profession,
I am *now set down* to describe a late fun'ral procession —
This was such a *fine sight*, as my eyes did never behold!
All FREE MASONS, deck'd with rich collars of silver and gold!
With their leather aprons on too, white as the driven snow,
Not aprons to work in — but painted to make a grand show!
And then to see how *lovingly* they all marched along,
Treading time (which I tho't very odd) to the tune of a song;
But AUNT NELL says, they are *Papishes* — for that reason she urges,
They at a dead brother's procession, play fun'ral dirges.
If they had but a *Band*, in lieu of a drum and fife,
I should have been better pleas'd, than e'er I was in my life;
There was so much *true gravity*, and *sound brotherly* love,
You would have sworn that *Masonry* came down from above.
And in the *Craft* there is a *certain Grip* for every brother,

By means of which, in the darkest night, they know one another.
 And so at all publick processions, they walk *hand in hand*,
 As much as to say, that each other's purse-strings they command—
 For in a moment, all sects, *Christians, Turks, Gentiles, and Jews*,
 The feelings of nature, pride, malice, and prejudice lose,
 Forget all distinctions, old grudges and animosities,
 Setting examples of friendship, and its reciprocities.
 But not to tire your patience, with any longer digression,
 I will now proceed with this most noble procession —

And first, then, there were four *stout men* who walked on before,
 With dreadful drawn swords, that have doubtless kill'd thousands and
 more.

These were all made out of Sextons, whom the Lodges dub *Tylers*.
 Dreadful to all those who of the Craft, are foes and revilers.
 Then followed another, with the *Law Code* of the society,
 Tho' some folks suppos'd it the Bible — a sign of their piety!
 But although they trace their origin from this quite back to Adam,
 Should you but suspect them of FAITH, you confoundedly mad 'em!
 Then presently some came, with staves, like a warden's long pole,
 Some with such short ones, what *they* can do, I can't tell for my soul.
 Some had on their aprons pretty pictures, *suns, moons, and stars!*
Little silver trowels in their hands, iv'ry *levels and squares*,
 Such as our good Dutch friends send over, our children to please,
 But what can men do in a lodge with such baubles as these?
 You have doubtless heard, or read of a certain heathen philosopher,
 Who aver'd all mankind were knaves, only with a gloss over;
 And therefore the *whole race*, at one good stroke to satirize,
 With a lighted candle, at high noon day to help his eyes,
 Set out to search the city where he liv'd, for an honest man:
 Well the FREE MASONS have adopted the old fellow's plan,
 For *here, Jew, Gentile, and Christian*, each in their proper station,
 Held a lighted taper, to find an honest man of their nation,
 But I am afraid their researches will all prove in vain,
 'Till the miller chucks all into his mill, to grind o'er again!
 There are many more matters that yet remain to be told,
 But my time is too short, the paper is full as it can hold.
 My next shall give you a fuller detail of this procession:
 Interim adieu, yours affectionately, with honest profession.

TIMOTHY TWITCHER, JR.

NAME OF LODGE.	LOCATION.	STATE OR COUNTRY.	DATE OF GRANTING OF CHARTER.
²² RISING SUN [AMERICAN] UNION (Army) UNION	Boston Roxbury Danbury	Massachusetts Massachusetts Connecticut	July 24, 1772 February 15, 1776 March 23, 1780

¹ This Lodge was originally styled "The First Lodge in Boston," and is usually named in the Record as the "First Lodge." Under date of July 24, 1772 (p. 185), it is referred to as "St. John's Lodge."

² This Warrant was issued, as the Record states, at the request of Benjamin Franklin and others, and was probably intended to give the sanction of duly constituted authority to an irregular and unauthorized association of Brethren who had been working together for two or three years in ignorance of the requirements of the Grand Constitutions of 1723.

³ The imperfections in the Records as to Dispenations or Warrants are probably to be attributed to the fact that they were frequently granted by the Grand Master, in the interval between Communications of the Grand Lodge, and no report made by him of such action. The date of the first mention in the Record is generally given, unless an earlier date has been obtained from some other reliable source.

⁴ See "Proceedings, Grand Lodge of Massachusetts," 1891, pp. 24-30.

⁵ The date is given in the "Ahiman Rezon" of Nova Scotia (1786), as the day when the Warrant was received and the first meeting held.

⁶ This Lodge is known to have been in existence as early as December 27, 1749. See "Schultz's History of Freemasonry in Maryland," Vol. III., p. 298.

⁷ This Lodge is first mentioned under date of April 13, 1750, in the List of Lodges.

⁸ The name of "Union" was given in 1796, by the Grand Lodge of Connecticut.

⁹ The "Early Records of the Grand Lodge of Connecticut," give the date of this Warrant as February 14. Probably a typographical error.

¹⁰ Issued to Richard Gridley. "In the Present Expedition against Crown Point."

¹¹ Attached to the 28th (British) Regiment of Foot.

¹² Issued to Abraham Savage, "In the present Expedition intended against Canada."

¹³ We know nothing of this Lodge, except that the name appears only on p. 71 of these Records.

¹⁴ It would appear from pp. 91 and 92 of these Records that a Deputation was granted, on or about March 29, 1762, to Col. Joseph Ingersoll, then stationed at Crown Point.

¹⁵ The first time the Lodge is mentioned in these Records is in a letter dated July 28, 1762.

¹⁶ The first mention of this Lodge is in the Grand Treasurer's account under date of December 10, 1765. As that account was rendered in January, 1766, we assume that there is a clerical error, and that the Lodge was chartered before December 10, 1764.

¹⁷ Past Grand Master Whitehead, in his "Historical Sketch of Masonry in New Jersey," p. xv, gives the date as December 27, 1763.

¹⁸ This Lodge is first named on p. 109, under date of October 24, 1766.

¹⁹ This Warrant is not mentioned in the list of Lodges appended to the Constitutions of 1857.

²⁰ "Virginia Lodge" is named three times in the Records, but no information is given in regard to it.

²¹ Name of "St. Allans" assumed in 1797.

²² The Warrant was granted July 24, 1772, but was dated August 10, 1772. It was issued to eighteen members of St. John's Lodge of Boston. On the 25th of November, 1791, the two Lodges were authorized to reunite.

¹ The Charter of Friendship Lodge was "vacated" May 8, 1781, and a new Charter granted to certain members, under the title of "Perfect Union" Lodge.

² The members of St. Andrew's Lodge, holding under the Grand Lodge of Scotland, divided on the question of allegiance to the newly-established, independent Grand Lodge. The minority acknowledged such allegiance, and received a Charter under the old name, while the majority adhered to the Grand Lodge of Scotland, and retained the old name and Charter. The name of the new Lodge, on its own request, was changed to "Rising States," September 2, 1784, retaining its rank as No. 1.

³ The Record recites that the petition of John Copp and others, "for holding a Lodge in the State of New York," was granted. No further information as to location is given. We learn from the "History of Freemasonry in New York," Vol. I., pp. 293, 294, that Bro. John Copp was a member of Solomou's Lodge, No. 1, of Poughkeepsie, in 1781-1782.

⁴ This Lodge is first named in the Record of June 2, 1785, but the "Early Records of the Grand Lodge of Connecticut," give the date of the Charter as March 5, 1783.
